Tempting Eden:

Tempting Eden Margaret Rowe,2010-06-01 A scorching debut novel of erotic historical romance set against the backdrop of Regency England Eden Emery is no stranger to sin To keep her sister safe from harm she s paid a steep price with her body and very nearly lost her soul But when Baron Ivor Hartford the man who has dishonored her finally dies her troubles are far from over Major Stuart Hartford the late baron s nephew is in the market for an honorable wife but first he has to take care of the matter of his Uncle Ivor s ward Eden a young woman who makes him question the virtue of being proper For the passion she incites burns away his inhibitions and inflames his heart But Eden has vowed to never again cede her destiny to a man And Hart is left with no choice but to tempt the temptress herself Tempting Eden Celia Aaron,2016-09-28 Jack England Eden Rochester is a force A whirlwind of intensity and thinly veiled passion Over the past few years I ve worked hard to avoid my passions to lock them up so they can t harm me or anyone else again But Eden Rochester ignites every emotion I have Every glance from her sharp eyes and each teasing word from her indulgent lips adds more fuel to the fire Resisting her Impossible From the moment I held her in my arms I had to have her But tempting her into opening up could cost me my job and much much more Eden Rochester When Jack England crosses my path and knocks me off my high horse something begins to shift Imperceptible at first the change grows each time he looks into my eyes or brushes against my skin He s my assistant but everything about him calls to me tempts me And once I give in he shows me who he really is dominant passionate and with a dark past After long days of work and several hot nights I realize the two of us are bound together But my secrets won t stay buried and they cut like a knife *Tempting Eden* Maureen Reynolds,1993 The passion between a beautiful aristocrat and a famous private investigator nearly kills them both when they pursue her missing twin But as the P I follows the trail he wonders if she s telling the truth or setting him up for a deadly fall Irresistible Mary Balogh,2016 Includes excerpts from *Indiscreet* and *Unforgiven* To Win Her Heart Karen Witemeyer,2011-05-01 Do They Have a Fighting Chance at Love After completing his sentence for the unintentional crime that derailed his youthful plans for fame and fortune Levi Grant looks to start over in the town of Spencer Texas Spencer needs a blacksmith a trade he learned at his father s knee and he needs a place where no one knows his past Eden Spencer has sworn off men choosing instead to devote her time to the lending library she runs in the town her father founded When a mountain sized stranger walks through her door and asks to borrow a book she s reluctant to trust him Yet as the mysteries of the town s new blacksmith unfold Eden discovers hidden depths in him that tempt her heart Eden believes she s finally found a man of honor and integrity But when the truth about Levi s prodigal past comes to light can this tarnished hero find a way to win back the librarian s affections Witemeyer s hard hitting Christian historical romance skillfully incorporates Jesus parables of the prodigal son and the adulteress rock toting accusers into her characters struggles with redemption worthiness and new beginnings A commendable addition to the genre Booklist Witemeyer is a talented author who plumbs the heart and soul of her characters
