## **Textos Recobrados:**

Textos recobrados (1919-1929) Jorge Luis Borges, 2011-12-10 Primero de los tres libros que recogen la obra miscelánea e inedita del maestro Borges. Algunas noches suelo ubicar mis horas en la serenidad del barrio de Almagro, empresa que tiene su poco de catstrofe en cada punta, pues para ir y volver es obligatorio descender a la tierra como los muertos e incluirse en una hilera de ajetreos que hay entre la plaza de Mayo y la estación Loria y resurgir con una sensación de milagro in modo y de personalidad barajada al mundo en que hay cielo. Claro está que esas plúnicas y agachadas andanzas tienen su compensación tal vez la más segura es poder considerar ese grande y bien iluminado plano de Buenos Aires que ilustra las paredes enterradas de los andenes. Qué maravilla definida y prolija es un plano de Buenos Aires. Los barrios ya pesados de recuerdos los que tienen cargado el nombre: la Recoleta, el Once, Palermo, Villa Alvear, Villa Urquiza, los barrios allegados por una amistad o una caminata: Saavedra, Nez los Patricios, el Sur, los barrios en que no estuve nunca y que la fantasía puede rellenar de torres de colores, de novias de compadritos que caminan bailando de puestas de sol que nunca se apagan de negeles, Pueblo Pío, San Cristóbal, Villa Domínico. Lo indesmentible es que la realidad de Buenos Aires también es realidad de poesía y que su alusión ya es intensificadora de cualquier verso. Jorge Luis Borges Textos recobrados Jorge Luis

Borges, 2011 **Jorge Luis Borges** Jason Wilson, 2006-10-02 The face of Borges most widely known is that of the blind patrician man of letters in whose writings emotion is subjected to the play of ideas. Yet Borges born in Buenos Aires in 1899 did not become virtually blind until the 1950s and in the decades before this affliction and before his books were widely translated and internationally celebrated he wrote, loved and engaged in local polemics with adventurous passion. In Jorge Luis Borges Jason Wilson explores Borges' tumultuous early life in the streets and cafes of Buenos Aires and charts his literary friendships, love affairs and travels. Borges claimed never to have invented a character. It's always me, subtly disguised. Illuminating the connections running between the biography and the fictions, Wilson reminds us that Borges was always a poet whose life was recreated in his work but never in confessional ways and restores his Argentine roots. This book will be an invaluable resource for all who treasure the modern master. BOOK JACKET **Games of Inheritance** Yitzhak

Lewis, 2025-05-13 Games of Inheritance explores the thought of Argentine author and public intellectual Jorge Luis Borges 1899-1986 on questions of authorship and literary tradition. The book focuses on Borges's engagement with Jewish literary and intellectual traditions, highlighting the role of this engagement in developing and expressing his views on these questions. The book argues that the primary relevance of Borges's persistent reference to the Judaic is not for understanding his attitude toward Jews and Judaism but for understanding his position in contemporary Argentinian debates about nationalism and literature, empire and postcolonialism and populism and aesthetics. By broadening the frame of Borges and the Judaic, this book shifts the scholarly focus to the poetic utility of Borges's engagement with Jewish literary and intellectual traditions. This allows a better understanding of the nuance of his views on the issues that most animate his oeuvre: authorship and

writing literature and tradition      **Regarding the Popular** Sascha Bru, Laurence Nuijs, Benedikt Hjartarson, Peter Nicholls, Tania Ørum, Hubert Berg, 2011-11-30 Regarding the Popular charts the complex relationship between the avant gardes and modernisms on the one hand and popular culture on the other Covering neo avant gardists and modernists from various European countries this second volume in the series European Avant Garde and Modernism Studies explores the nature of so called low culture dealing with aspects as diverse as the everyday and the folkloric Regarding the Popular charts the many ways in which the allegedly high modernists and avant gardists looked at and represented the low As such this book will appeal to all those with an interest in the dynamic of modern experimental arts and literatures      **Textos recobrados (1931-1955)** Jorge Luis Borges, 2011-12-10 Segundo de los tres libros que recogen la obra miscelánea e inédita del maestro Borges De una a siete de la tarde mis horas oficiales o te ricas de trabajo me confieso un impostor un chambán un equivocado esencial De noche conversando con Xul Solar con Manuel Peyrou con Pedro Henríquez Ureña o con Amado Alonso ya soy un escritor Si el tiempo es hondo y caliente me considero con alguna razón un canalla si hay viento sur pienso que un bisabuelo mío decidió la batalla de Junín y que yo mismo he consumado unas páginas que no son bochornosas Me pasa lo que a todos soy inteligente con las personas inteligentes nulo con las estúpidas Releo poco mis libros Los dos capítulos iniciales de Evaristo Carriego el libro entero Discusión la página 51 de la Historia universal de la infamia y las biografías del Espantoso redentor Lazarus Morell y del Tintorero enmascarado H. Kim de Merv en esa misma Historia deben ser lo menos intolerable de cuanto he escrito He publicado tres libros de versos del primero Fervor de Buenos Aires 1923 me agradan dos páginas Remordimiento por cualquier defunción y Llaneza del segundo Luna de enfrente 1925 ninguna del tercero Cuaderno San Martín 1929 las tituladas Isidoro Acevedo Muertes de Buenos Aires La noche que en el Sur lo velaron Temo parecer indulgente si lo imposible de escribir una página sin haber escrito un volumen Jorge Luis Borges      **Liberty, Individuality, and Democracy in Jorge Luis Borges** Alejandra M. Salinas, 2016-10-26 This book seeks to fill a double lacuna in Borges scholarship For one this scholarship has been largely developed through the lens of literary and cultural studies and not by political theorists who bring a distinct disciplinary perspective into the reading of literary works Secondly mainstream interpreters have overlooked or have not analyzed enough Borges's political sympathies This book does not evaluate if these sympathies are truthful to political and historical facts or philosophical theories rather she shows in which aspects and around which topics Borges finds inspiration and gives literary form to the political His texts abound with concepts and events such as liberty individuality war and revolution and they deal with topics such as the legitimacy of authority the limits of reason and the principle of representation among others This book also addresses Borges's democratic sensitivity and his critique of populism and militarism as related to salient national and global historical events that inspired his works Above all it calls attention to Borges's belief in the pre-eminence of individual liberty his rejection of political oppression and his warning against civic indifference brought about by an isolated individualism This book may be of interest to students and

professors of politics philosophy and literature It may also interest literary critics and readers who want to approach Borges s works with a political rather than a literary or a cultural lens **Textos recobrados: 1956-1986** Jorge Luis Borges,

**Invisible Work** Efraín Kristal,2002 It is well known that Jorge Luis Borges was a translator but this has been considered a curious minor aspect of his literary achievement Few have been aware of the number of texts he translated the importance he attached to this activity or the extent to which the translated works inform his own stories and poems Between the age of ten when he translated Oscar Wilde and the end of his life when he prepared a Spanish version of the Prose Edda Borges transformed the work of Poe Kafka Hesse Kipling Melville Gide Faulkner Whitman Woolf Chesterton and many others In a multitude of essays lectures and interviews Borges analyzed the versions of others and developed an engaging view about translation He held that a translation can improve an original that contradictory renderings of the same work can be equally valid and that an original can be unfaithful to a translation Borges s bold habits as translator and his views on translation had a decisive impact on his creative process Translation is also a recurrent motif in Borges s stories In *The Immortal* for example a character who has lived for many centuries regains knowledge of poems he had authored and almost forgotten by way of modern translations Many of Borges s fictions include actual or imagined translations and some of his most important characters are translators In *Pierre Menard* author of the *Quixote* Borges s character is a respected Symbolist poet but also a translator and the narrator insists that Menard s masterpiece his invisible work adds unsuspected layers of meaning to Cervantes s *Don Quixote* George Steiner cites this short story as the most acute most concentrated commentary anyone has offered on the business of translation In an age where many discussions of translation revolve around the dichotomy faithful unfaithful this book will surprise and delight even Borges s closest readers and critics **Borges the Unacknowledged**

**Medievalist** M. Toswell,2014-11-07 The Argentinian writer and poet Jorge Luis Borges 1899 1986 was many things during his life but what has gone largely unnoticed is that he was a medievalist and his interest in Germanic medievalism was pervasive throughout his work This study will consider the medieval elements in Borges creative work and shed new light on his poetry

**Ficciones del dinero** Alejandra Laera,2022-05-30 En la d cada de 1990 se escribieron varias novelas con el dinero como protagonista dinero extinto dinero falso dinero dilapidado dinero quemado dinero que deforma el cuerpo En todas ellas no es solo un tema recurrente sino el motor de la trama la matriz explicativa del relato que permite iluminar zonas veladas de espacios y temporalidades de la Argentina contempor nea a trav s de la ficci n Alejandra Laera aproxima dos conjuntos de textos escritos alrededor del crac de 1890 y la crisis de 2001 para examinar de qu manera en contextos de fermentaci n o estallido de crisis econ micas la novela busca principios explicativos en la creaci n de matrices narrativas subsidiarias del dinero As registra los cambios ficcionales sociales pol ticos y econ micos en la literatura argentina entre 1890 y 2001 y analiza el modo en que la ficci n novelesca sirve para procesar tanto la circulaci n real del dinero como la experiencia social del mismo Si a trav s de la m mesis delirante del mundo las ficciones del dinero como *La Bolsa* *Horas de fiebre* o *Quilito*

entregaban evaluaciones económicas morales del pasado inmediato las ficciones del dinero anteriores a 2001 presentan lógicas económicas alternativas a la que rige el mundo contemporáneo mientras hurgan y revelan el reverso de una coyuntura de prosperidad Este libro constituye una propuesta crítica original e innovadora que permite acercarse a la literatura argentina desde una perspectiva orientada en lo económico y más específicamente en el dinero y sus trayectos y también acceder a una historia de la literatura que al optar por una temporalidad alternativa impulsa nuevos recorridos por la novela argentina

*The Oxford Handbook of Jorge Luis Borges* Oxford Handbooks, 2024 The Oxford Handbook of Jorge Luis Borges contextualizes the Argentine writer Jorge Luis Borges's work for a new generation of twenty-first century readers and critics Most known for his creative fictions that tackle literary questions of authorship as well as more philosophical notions such as multiverse theory Borges has captivated scholars from a variety of disciplines since his emergence on the international scene This volume shifts the emphasis to Borges's working life his writing processes his collaborations and networks and the political and cultural background of his production It also evaluates his impact on a variety of other fields ranging from political science and philosophy to media studies and mathematics

Jorge Luis Borges, 1899-2019 Jorge Luis Borges, 2019

**Jorge Luis Borges, 1899-2019** Jorge Luis Borges, 2019 Jorge Luis Borges, 1899-2019 Jorge Luis Borges, 2019  
*Borges, a Life* Edwin Williamson, 2004 Short story writer, essayist, and poet Jorge Luis Borges (1899-1986) revolutionized the literature of Latin America almost single-handedly and left a legion of readers and admirers worldwide Based on an unprecedented range of interviews and on research into previously unknown or unavailable resources this is the first biography in any language to encompass the entire span of Borges's life and work In *Borges* Edwin Williamson brings to life the little-known human side of the writer: his ancestral roots in Argentina, his relations with family and friends, his passions and despairs, and the evolution of his political ideas By correlating this new biographical information with Borges's literary texts, Williamson also reconstructs the dynamics of his inner world: the conflicts, desires, and obsessions that drove the man and shaped his work This major new study finally unlocks the mysteries that have obscured the life of Borges The result is a compelling and often poignant portrait that will radically transform our views of this modern master

*Enciclopedia Borges* Marcela Croce, Gastón Gallo, 2008 El objetivo de este libro fue proveer un instrumento útil al lector de la obra de Jorge Luis Borges abrumada de citas y referencias cuya localización es a menudo compleja y tan abundante en diversos textos reseñas, notas, ensayos, cuentos, poemas, prólogos, textos de ocasión o de compromiso y otras variedades de ejercicios que resulta inabarcable y es complejo pensar en la idea de obra en torno de la proliferante producción A veces como se alía al mismo a partir de los escritos de Flaubert si no supiéramos que un mismo autor es responsable de toda esa dispersión jamás lo adivinaríamos Enciclopedia Borges recupera la pasión del escritor por esos volúmenes que ofrecen informaciones compendiadas y que procuran resolver en su conjunto las inquietudes o las ansias de saber de un lector curioso Con ese propósito se reúnen aquí los autores, textos, lugares y temas que ocuparon al ejecutor de *El Aleph*. Los juicios sucesivos evidencian su independencia de

criterio su voluntad provocativa y las alternativas de los juegos de un t mido como l mismo llam a sus ejercicios que no vacilan en la disidencia se perfeccionan en la iron a permanente y caen en contradicci n con sus propias afirmaciones seg n var en las pocas Tal es su concepci n de la Enciclopedia un texto donde cada lector puede encontrar justificadas las obsesiones que lo asedian *Las vanguardias literarias en Argentina, Uruguay y Paraguay* Dieter Reichardt, Carlos García, 2004 **Actas de las Jornadas Borges y el Uruguay** Sylvia Lago, Alicia Torres, 2001 *Los caminos de la escritura negra en el Río de la Plata* Jacinto Ventura de Molina, 2010 Compilaci n de escritos hist ricos y autobiogr ficos de Jacinto Ventura de Molina 1766 1837 negro libre y letrado que da cuenta del paso de la sociedad colonial a las nuevas rep blicas
