Texts and Pretexts Aldous Huxley,1962      *Texts and Pretexts* Aldous Huxley,2017-02-06 Excerpt from *Texts and Pretexts* An Anthology With Commentaries Would even Dante s abilities suffice to inform our vast and swiftly changing chaos to build it up into a harmonious composition to impose a style One may venture to doubt it There is too much raw material of too many kinds and some of the kinds as for example the experience of the urban industrial or clerical worker seem almost too hopelessly mechanical ever to be given style And yet it is only by poets that the life Of any epoch can be synthesized Encyclopaedias and guides to knowledge cannot do it for the good rea son that they affect only the intellectual surface of a man s life The lower layers the core of his being they leave untouched About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Texts & Pretexts Aldous Huxley,1980
