Angel's Diary Martin Napa,2020-09-17 Angels touched Martin s heart in 2003 when he had an opportunity to take part in angel therapy courses in Ireland together with his wife Mai Liis She is also an illustrator of Angel s Diary In 2008 Angel s Diary was first published in the Estonian language Author didn t know then about the difficulties ahead but the presence of God s angels has made it possible to endure the challenging times and sorrow He wishes that we would be aware that angels are always with us Angels love us without judging us in light as in darkness because their ultimate wish is to help and guide us to the understanding that we are one whole That we deserve forgiveness as we should forgive everyone else We are love Only love is everlasting Angels strive to pass this on to all humans This message only needs to be recognized put into words and passed on Supernatural Beings 1 Thierry Kouam,2019-05-24 Winnipeg is divided between two worlds one is comprised of human beings and the other of supernatural beings some of whom have been gifted with special powers and magic Supernatural beings animals shaped like humans believe their ancestors are their gods dutifully follow the rules of their tradition and understand their purpose is to eradicate the human race Hero is a young adult magician supernatural being who has been sent with his brothers to the world of human beings to destroy humankind But everything changes during his important mission when Hero surprisingly feels his magic pushing him against his own desire to protect Angel a mysterious human being who appears different than others in her race When Hero breaks the rules of his tradition and battles against his own family to protect Angel he becomes a traitor who now must learn why his magic warns him when Angel is in danger as fate leads him to places he never imagined In this fantasy tale a young supernatural being with magical powers on a mission to destroy the human race crosses paths with a mysterious being that causes him to question everything he has ever known *An Exposition of the Prophet Ezekiel, with Useful Observations Thereupon. Delivered in Several Lectures in London, A.D. 1650* William Greenhill,1863 The Personality of Angels and Demons and Jesus the Exorcist Dr. Jay Hines,2026-02-14 Angels worship and adore Him demons fear Him the Son of the living God who according to the Apostle John was manifested so that He could destroy the works of the devil 1 John 3 8 Jesus was known by gospel authors to be many wonderful things including preacher teacher counselor healer but it is the Gospel of Mark where Jesus is seen primarily as an exorcist Not just any run of the mill exorcist and there were many in first century Israel no Jesus was the greatest exorcist of all time Christ s authority to hammer demons came from God and through Him that authority was pristine and impeccable Many books have been written about angels and demons as well as about Jesus the exorcist Here is a book the culmination of many years of study that combines angelology with demonology with a third feature a study of Jesus the exorcist All three naturally go together in any coherent study of the three topics Christians today are called to respect angels who attend to us although we are not called to worship them With regard to demons we are called to rebuke and cast them out like Jesus did Learning the personalities of all three angels demons and of Jesus will help us fulfill the will of God in this
