The woman's question and the man's answer; or, Reflections on the social consequences of legalizing marriage with a deceased wife's sister. By B.A.W. B A. W,1859 *Fiction and 'The Woman Question' from 1850 to 1930* W. R. Owens,Alexis Weedon,Nicola Darwood,2020-07-02 This book is about how *The Woman Question* was represented in works of fiction published between 1850 and 1930 The essays here offer a wide ranging and original approach to the ways in which literature shaped perceptions of the roles and position of women in society Debates over *The Woman Question* encompassed not only the struggle for voting rights but gender equality more widely The book reaches beyond the usual canonical texts to focus on writers who have in the main attracted relatively little critical attention in recent years Stella Benson Kate Chopin Marie Corelli Dinah Mulock Craik Clemence Dane Arthur Conan Doyle George Gissing Ouida and William Hale White who wrote under the pseudonym Mark Rutherford These writers dealt

imaginatively with issues such as marriage motherhood sexual desire adultery and suffrage and they represented female characters who in varying degrees and with mixed success sought to defy the social sexual and political constraints placed upon them The collection as a whole demonstrates how fiction could contribute in striking and memorable ways to debates over gender equality debates which continue to have relevance in the twenty first century
