Training Academies Mick Schultz,2016-03-22 Ministry Training Academies are dynamic ministries that train and release
children to do ministry They provide children with a unique opportunity to learn ministry through hands on experience
Ministry Training Academies also help to fulfill the purpose of the local church Given that children make up approximately
25% of the church population it would be unlikely for a church to fulfill what God has called it to do unless children are
engaged in helping fulfill that purpose Can you imagine if every evangelical church equipped and released their children in
ministry Not only would there be radical changes in the church of Jesus Christ there would be changes in homes schools and
neighborhoods Children who walk in newness of Christ as a believer AND partner with Him in ministry will have a profound
impact in their world Let s stop doing ministry to our children and begin a chapter in church history where we begin doing
