begin to heal And then came the nightmares RAGE Something lies just underneath the surface of Frank s mind a darkness possessed of vicious intelligence with a personality of it s own Old injuries and the kindness of new friends have thus far held it at bay in particular one small girl with a rare gift and a big heart But when old disputes come back to surface Frank soon finds himself standing between a brutal crime lord and the family he has come to love Caught in the middle of monsters mages and killers he is helpless to prevent the emergence of a far greater evil POWER Frank is regaining more of himself the growing power within him unlike anything the continent of Endath has ever known But even as he faces off against a horde of enemies another foe perches among the recesses of his mind and waits For his body once belonged to another and with each new discovery of lost memories and abilities a little bit more of that other returns **Christian Science Sentinel** ,1907
