The Woman Doctor:

The Woman Doctor and Her Future Louisa Martindale, 1922 [The Woman Doctor and Her Future](#) [A Pioneer Woman Doctor's Life](#) Dr. Bethenia Angelina Owens-Adair, 2014-11-20 A friend once said to her If I wished to increase your height two and a half inches I would attempt to press you down and you would grow upward from sheer resentment Divorced at eighteen from an abusive husband in 1859 scandalous at the time and with a little baby to care for Bethenia Angelina Owens was determined to make her way in the world Her family begged her to let them support her but she wanted to earn her own livelihood Taking in laundry teaching school and making cheese were among the tasks she set herself to She eventually built a thriving business as a milliner that allowed her to send her son to college and to fulfill her own dream of becoming a doctor Against all odds and a tidal wave of objections by friends family and male doctors she prevailed Despite the sentiment of the times that it was disgraceful for a woman to practice medicine she enrolled in 1878 at the University of Michigan By 1884 she was making 7 000 per year an astronomical sum as a physician For all of her life she was a strong and vocal advocate of women s rights As a doctor she gave the shocking advice Nothing will preserve woman s grace and her symmetrical form so much as vigorous and systematic exercise and horseback riding stands at the head of the list providing she has a foot in each stirrup instead of having the right limb twisted around a horn She also provides accounts of other pioneer women of her acquaintance For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above Buy it today **A Woman Doctor's Civil War** Gerald Schwartz, 2022-04-08 A physician a Northerner a teacher a school administrator a suffragist and an abolitionist Esther Hill Hawks was the antithesis of Southern womanhood And those very differences destined her to chronicle the era in which she played such a strange part While most women of the 1860s stayed at home tending husband and house Esther Hill Hawks went south to minister to black Union troops and newly freed slaves as both a teacher and a doctor She kept a diary and described the South she saw conquered but still proud Her pen honed to a fine point by her abolitionist views missed nothing as she traveled through a hungry and ailing land In the well known Diary from Dixie Mary Boykin Chestnut depiced her native Southland as one of cavaliers with their ladies statesmen and politicians honor and glory But Hawks painted a much different picture And unlike Chestnut s characters hers were liberated slaves and their hungry children swaggering carpetbaggers occupation troops far from home and zealous missionaries Revealed in the pages of this diary is a woman of vast energy intelligence and fortitude who transformed her idealism into action **The Woman Doctor's Guide to Overcoming Cystitis** Kathryn Schrottenboer Cox, Kathryn Schrottenboer, K Schrottenboer, 1989-06-06 Next to the common cold cystitis is the leading cause of absenteeism among working women Now an experienced woman obstetrician gynecologist explains in sympathetic and easy to understand language the causes symptoms and treatments of cystitis

The Woman's World ... Oscar Wilde, 1889 **The Doctor in the Victorian Novel** Dr Tabitha Sparks, 2013-04-28 With

the character of the doctor as her subject Tabitha Sparks follows the decline of the marriage plot in the Victorian novel As Victorians came to terms with the scientific revolution in medicine of the mid to late nineteenth century the novel's progressive distance from the conventions of the marriage plot can be indexed through a rising identification of the doctor with scientific empiricism A narrative's stance towards scientific reason Sparks argues is revealed by the fictional doctor's relationship to the marriage plot Thus novels that feature romantic doctors almost invariably deny the authority of empiricism as is the case in George MacDonald's *Adela Cathcart* In contrast works such as Wilkie Collins's *Heart and Science* which highlight clinically minded or even sinister doctors uphold the determining logic of science and in turn threaten the novel's romantic plot By focusing on the figure of the doctor rather than on a scientific theme or medical field Sparks emulates the Victorian novel's personalization of tropes and belief systems using the realism associated with the doctor to chart the sustainability of the Victorian novel's central imaginative structure the marriage plot As the doctors Sparks examines increasingly stand in for the encroachment of empirical knowledge on a morally formulated artistic genre their alienation from the marriage plot and its interrelated decline succinctly herald the end of the Victorian era and the beginning of Modernism

Technology has come to dominate the modern experience of pregnancy and childbirth but instead of empowering pregnant women technology has been used to identify the foetus as a second patient characterised as a distinct entity with its own needs and interests Often foetal and the woman s interests will be aligned though in legal and medical discourses the two patients are frequently framed as antagonists with conflicting interests This book focuses upon the permissibility of encroachment on the pregnant woman s autonomy in the interests of the foetus Drawing on the law in England Wales the United States of America and Germany Samantha Halliday focuses on the tension between a pregnant woman s autonomy and medical actions taken to protect the foetus addressing circumstances in which courts have declared medical treatment lawful in the face of the pregnant woman s refusal of consent As a work which calls into question the understanding of autonomy in prenatal medical care this book will be of great use and interest to students researchers and practitioners in medical law comparative law bioethics and human rights **Woman's Work** ,1920 **The Bystander** ,1910 American Medicine ,1915 **Dr. Chase's Home Adviser and Every Day Reference Book** Alvin Wood Chase,1894 The Church Missionary Intelligencer ,1906
