The Works of John Chalkhill John Chalkhill, Charles Ryskamp, Scott D. Westrem, 1999 John Chalkhill ranks as one of the more enigmatic writers in English literary history Two lyrics in *The Compleat Angler* are ascribed to him but not until the third edition in 1661 Izaak Walton supervised the publication in 1683 of *Thealma and Clearchus* a long poem credited on its title page to Chalkhill Friend of Edmund Spenser Upon its 1820 republication however editor S W Singer noted that the poet may have been an invention of Walton In 1958 P J Croft established that Chalkhill was born around 1595 and thus could not have known Spenser was buried in 1642 and was the author of poems and letters owned by a family in Derbyshire These works acquired by The Pierpont Morgan Library in 1979 offer the most substantial testimony to Chalkhill s life and poetic vocation They are published here as a collection along with the *Angler* lyrics and *Thealma* a poem of considerable sophistication This volume demonstrates Chalkhill s versatility and wit marking him as an accomplished writer during the period between the *Metaphysicals* and the mature Milton It includes a detailed account of Chalkhill s life and literary production edited texts of all his known works based on the most authoritative sources and with full commentary and appendices providing additional biographical and textual data as well as explanatory material about *Thealma* The printed text is accompanied by twenty photographic plates which reveal Chalkhill s habits as a writer and display two of his signatures Presented to the Roxburghe Club this is a limited edition of extraordinarily high quality *Catalogue* Maggs Bros, 1922
