burst into song and when the rain will begin Will she ever be able to share her new life with her beloved and now chronically befuddled husband And on top of her profound isolation and confusion Tara takes in with pain how slight a difference she makes in the world As she puts it That s how little the activities of one person matter on the eighteenth of November Balle is hypnotic and masterful in her remixing of the endless recursive day creating curious little folds of time and foreshadowings her flashbacks light up inside the text like old flash bulbs The first volume s gravitational pull a force inverse to its constriction has the effect of a strong tranquilizer but a drug under which your powers of observation only grow sharper and more acute Give in to the book s logic its minute movements its thrilling shifts its slant wit its slowing of time and its spell is utterly intoxicating Solvej Balle s seven volume novel wrings enthralling and magical new dimensions from time and its hapless mortal subjects As one Danish reviewer beautifully put it Balle s fiction consists of writing that listens Reading her is like being caressed by language itself     **A shabby genteel story; Adventures of Philip** William Makepeace Thackeray, 1904
