Claude Lévi-Strauss

Structural Anthropology:

Structural Anthropology Claude Levi-Strauss, 2008-08-05 The structural method first set forth in this epoch making book changed the very face of social anthropology This reissue of a classic will reintroduce readers to L vi Strauss s understanding of man and society in terms of individuals kinship social organization religion mythology and art *Claude Lévi-Strauss and the Making of Structural Anthropology* Marcel Hénaff, 1998 As anthropology continues to transform itself this book affords a broad and balanced account of the remarkable accomplishments of one of the great intellectual innovators of the 20th century It presents an authoritative and accessible analysis of Claude Levi Strauss s research in anthropological theory and practice as well as his contributions to debates surrounding linguistics epistemology ethics and aesthetics *Structural Anthropology V2* Claude Lévi-Strauss, 1976-02-29 The eighteen essays collected in this volume have been selected and ordered to give what L vi Strauss terms a bird s eye view of the problems of modern ethnology As representative examples these essays introduce readers to the methods of structural anthropology while affording a glimpse into the mind of one of the foremost anthropologists of our time *Structural Anthropology Volume II* is a diverse collection It is a useful sampler that gives a reader the full range of L vi Strauss s interests Daniel Bell New York Times Book Review **Structural Anthropology** Claude Levi-Strauss, 1963 *Structural Anthropology* provides an introduction to his distinctive approach to anthropology as the study of a science of general principles The now renowned structural method which has changed the face of social anthropology views man and society in terms of universals kinship social organization religion and mythology and art **An Analysis of Claude Levi-Strauss's Structural Anthropology** Jeffrey A. Becker, Kitty Wheeler, 2017-07-05 *Structural Anthropology* 1958 not only transformed the discipline of anthropology it also energized a movement called structuralism that came to dominate the humanities and social sciences for a generation **Structural Anthropology** Claude Lévi-Strauss, 1993 The eighteen essays collected in this volume have been selected and ordered to give what Levi Strauss terms a bird s eye view of the problems of modern ethnology As representative examples these essays introduce readers to the methods of structural anthropology while affording a glimpse into the mind of one of the foremost anthropologists of our time *Structural Anthropology Volume II* is a diverse collection It is a useful sampler that gives a reader the full range of Levi Strauss s interests Daniel Bell New York Times Book Review **Structural Anthropology Zero** Claude Levi-Strauss, 2021-09-23 This volume of L vi Strauss s writings from 1941 to 1947 bears witness to a period of his work which is often overlooked but which was the crucible for the structural anthropology that he would go on to develop in the years that followed Like many European Jewish intellectuals L vi Strauss had sought refuge in New York while the Nazis overran and occupied much of Europe He had already been introduced to Jakobson and structural linguistics but he had not yet laid out an agenda for structuralism which he would do in the 1950s and 60s At the same time these American years were the time when L vi Strauss would learn of some of the world s most devastating historical catastrophes the genocide of the

indigenous American peoples and of European Jews From the beginning of the 1950s L vi Strauss s anthropology tacitly bears the heavy weight of the memory and possibility of the Shoah To speak of structural anthropology zero is therefore to refer to the source of a way of thinking which turned our conception of the human on its head But this prequel to Structural Anthropology also underlines the sense of a tabula rasa which animated its author at the end of the war as well as the project shared with others of a civilizational rebirth on novel grounds Published here in English for the first time this volume of L vi Strauss s texts from the 1940s will be of great interest to students and scholars in anthropology sociology and the social sciences generally

The Ethnological Imagination Fuyuki Kurasawa,2004 Kurasawa sociology York U Toronto suggests what he calls the ethnological imagination as one of the possible routes out of the impasse created by the apparent exhaustion or inadequacy of Western social theory to deal with cross cultural thinking which becomes ever more urgent in light of increasing cultural pluralism and difference in the glo

Levi-Strauss on Religion Paul-Francois

Tremlett,2014-12-05 Levi Strauss the father of modern anthropology is one of the most influential thinkers of the Twentieth Century His development of structuralism the identification of patterns of human cognition and behaviour greatly influenced Althusser Lacan Foucault and Derrida Levi Strauss on Religion presents one of the only examinations of the importance of Levi Strauss thought and work to the study of religion The book examines his methodology as well as his contributions to the study of kinship totemism and myth The issues raised by Levi Strauss anthropological political and philosophical texts are placed alongside contemporary debates in religious studies and the student is introduced to the thinkers and theories that informed his writings This book will be invaluable to students of the anthropology and phenomenology of religion

Physical Space and Spatiality in Muslim Societies Mahbub Rashid,2021-08-10 Mahbub Rashid embarks on a fascinating journey through urban space in all of its physical and social aspects using the theories of Foucault Bourdieu Lefebvre and others to explore how consumer capitalism colonialism and power disparity consciously shape cities Using two Muslim cities as case studies Algiers Ottoman French and Zanzibar Ottoman British Rashid shows how Western perceptions can only view Muslim cities through the lens of colonization a lens that distorts both physical and social space Is it possible he asks to find a useable urban past in a timeline broken by colonization He concludes that political economy may be less relevant in premodern cities that local variation is central to the understanding of power that cities engage more actively in social reproduction than in production that the manipulation of space is the exercise of power that all urban space is a conscious construct and is therefore not inevitable and that consumer capitalism is taking over everyday life Ultimately we reconstruct a present from a fragmented past through local struggles against the homogenizing power of abstract space

Structural Anthropology Claude L©vi-Strauss,1963

Claude Levi-Strauss David Pace,2015-07-03 L vi Strauss is one of the intellectual giants of the twentieth century yet he is a very private and isolated figure who has been reticent about himself This book first published in 1983 provides a fascinating insight into his character through a careful reading of the

more speculative passages of his books and interviews His personal existential and psychological orientation is explored through a structural analysis of *Tristes Tropiques* his most personal book and his writings on art nature and civilization and through a consideration of his debt to Rousseau Dr Pace examines in depth L vi Strauss s critique of cultural evolutionism and his attack on the notion of world history He assesses the political implications of L vi Strauss s own interpretation of human progress through an examination of his debates with Sartre and other Marxists in the 1950s and 1960s and his subsequent movement to the right The author s concern throughout is to place the world view of this great French anthropologist in the context of twentieth century intellectuals struggle to come to grips with cultural relativism and the problem of the primitive

[The Scope and Content of the Science of Anthropology](#) Juul Dieserud,1908 **Lévi-Strauss Today** Robert Deliège,2004-09-04 This book provides a concise overview of the monumental work of the greatest and most prolific thinkers of the 20th century Claude Le vi Strauss has had a profound and lasting impact on the course of contemporary anthropology

[Myth and Meaning](#) Claude Lévi-Strauss,2003-09-02 In addresses written for a wide general audience one of the twentieth century s most prominent thinkers Claude L vi Strauss here offers the insights of a lifetime on the crucial questions of human existence Responding to questions as varied as Can there be meaning in chaos What can science learn from myth and What is structuralism L vi Strauss presents in clear precise language essential guidance for those who want to learn more about the potential of the human mind *Human Behavioral Structure* Norman R. Joseph,1978

[View From Afar](#) Claude Levi-strauss,1985-04-24 This collection touches on a wide range of anthropological issues including family and marriage myths and rites the environment and its representation and constraint and freedom The essays encompass more than forty years of analysis and constrain arguments that are as relevant today as they were thirty years ago Hardly a field remains untouched sociobiology linguistics botany genetics psychiatry esthetics ecology politics neuroscience education morality psychology It s all breathtaking and alarming some of it wonderful some of it ridiculous At times the experience is exhilarating Richard A Shweder New York Times Book Review

The Elementary Structures of Kinship Claude Levi-Strauss,2016-05-10 Professor L vi Strauss s first major work *Les Structures l mentaires de la Parent* has acquired a classic reputation since its original publication in 1949 and it has become the constant focus of academic debate about central theoretical concerns in social anthropology It is however a long and difficult book for many students to read in French and its arguments have consequently become known even among professional anthropologists largely through critical analysis It was republished in a revised French edition in 1967 with a new foreword by the author and it is this text with his further emendations that has been used in this translation L vi Strauss applies his intellectual powers to the perennial problem of incest which he elucidates by means of the concept of exchange as formulated by Marcel Mauss in his famous analysis of the gift *Essai sur le don* 1925 He distinguishes two elementary modes of exchange which govern not only the conventional variety of goods and services but also the transfer of women in marriage these are restricted and generalized

exchange With a mass of ethnographic evidence he demonstrates how the formidable intricacy of marriage customs comprising moral and jural ideas and institutions which appear to be essentially arbitrary can be seen as local and historical rules of exchange Charles L vi Strauss traces these rules throughout a vast range of simple societies chiefly in Australia and mainland Southeast Asia but also in the Americas in Oceania and in other parts of the world To this survey he adds two extended sections on the great civilizations of China and India He continues with a briefer consideration of the passage from elementary to complex structures with particular reference to African societies and concludes with a stimulating chapter on the principles of kinship exchange as the universal basis for marriage prohibitions and the formal relations between the sexes as part of a universe of communication Although much of the work is technical consisting of detailed analyses of types of social organization with which social anthropologists will be most familiar it also contains much that will be of interest to psychologists linguists and philosophers and to all who are interested in the possibility and the technique of the structural analysis of human activity After the successes moreover of L vi Strauss s subsequent books notably Structural Anthropology Tristes Tropiques Totemism and The Savage Mind this new edition of the work which founded his present outstanding reputation will have additional value as a further means of contact with one of the original minds of this century The translation has been made by James Harle Bell and John Richard von Sturmer of the University of New England Australia and by Rodney Needham of the University of Oxford Dr Needham also acted as general editor and supplied the work with a new general index He is the translator of L vi Strauss s Le Totemisme aujourd hui and author of Structure and Sentiment 1962 and numerous papers which have contributed to the recognition of Professor L vi Strauss s work in the English speaking world

The Structure of Solidarity and Alliance on Namoluk Atoll Keith MacDonald Marshall, 1972 **The Plurality of Worlds and Other Essays** Thomas Hughes, 1927

The Enigmatic Realm of **Structural Anthropology**: Unleashing the Language is Inner Magic

Structural Anthropology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Structural Anthropology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Structural Anthropology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Structural Anthropology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Structural Anthropology Books

1. Where can I buy Structural Anthropology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Structural Anthropology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Structural Anthropology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Structural Anthropology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Structural Anthropology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
