Martin,2009-02-24 If you live in the city but want to be close to nature If you call the countryside home but have no time to
step outside If you are confined to an office fifty hours a week If your home needs the soothing touch of the natural world In
The New Terrarium Tovah Martin one of America s favorite gardeners introduces you to the whimsical yet practical world of
gardens under glass a no fuss way to bring snippets of nature indoors Wherever you are in whatever little time you have
terrariums are the perfect tool for nature lovers and gardeners everywhere With gorgeous photography The New Terrarium
reveals how this classic garden tool has been reimagined in a modern way When encased in glass plants thrive with almost
no help from outside their little enclosed world so you can host a plant almost anywhere in your apartment where the air is
dry or in your cubicle where there s little natural light Tucked inside something crystal and contained the bounty of the forest
or treasures from the beach or the meadow can merge seamlessly into your home or office environment It s amazing how
some frothy fern fronds or colorful blossoms can transform a room by giving it a burst of vibrant green life With clear simple

step by step instructions and photographs to inspire and guide you along the way Martin shares her years of experience growing and tending terrariums and shows how terrariums can enrich your life including different venues for cultivating your terrarium plants that flourish in these gardens under glass ideas and designs for creating your first terrarium how to care for and maintain the environment you've made Martin has designed a unique range of imaginative terrarium projects including ones that are suitable for children enliven the seasons incorporate plant propagation and show off a nature collection Whether you are a gardener or city dwelling nature lover The New Terrarium is the perfect way to spark your creativity while helping you to bring your favorite plants into your home and giving them a place to thrive When nature is out of arm's reach and you crave a little greenery The New Terrarium can show you how to bring all the benefits of the outdoors close to you
