Turner, 1996 A lively generously illustrated Washington Post Book World survey of how over the past four thousand years religious leaders artists writers and ordinary people in the West have visualized Hell its location architecture purpose and inhabitants Illustrations full color inserts The Formation of Hell Alan E. Bernstein, 2020-06-30 What becomes of the wicked Hell exile from God subjection to fire worms and darkness for centuries the idea has shaped the dread of malefactors the solace of victims and the deterrence of believers Although we may associate the notion of hell with Christian beliefs its gradual emergence depended on conflicting notions that pervaded the Mediterranean world more than a millennium before the birth of Christ Asking just why and how belief in hell arose Alan E Bernstein takes us back to those times and offers us a comparative view of the philosophy poetry folklore myth and theology of that formative age Bernstein draws on sources from ancient Egypt Mesopotamia Greece Rome and Israel as well as early Christian writings through Augustine in order to reconstruct the story of the prophets priests poets and charismatic leaders who fashioned concepts of hell from an array of perspectives on death and justice The author traces hell s formation through close readings of works including the epics of Homer and Vergil the satires of Lucian the dialogues of Plato and Plutarch the legends of Enoch the confessions of the Psalms the prophecies of Isaiah Ezechiel and Daniel and the parables of Jesus Reenacting lively debates about the nature of hell among the common people and the elites of diverse religious traditions he provides new insight into the social implications and the psychological consequences of different visions of the afterlife This superb account of a central image in Western culture will captivate readers interested in history mythology literature psychology philosophy and religion **Four Views on Hell** John F. Walvoord, Zachary J. Hayes, Clark H. Pinnock, 2010-08-10 Most contemporary Christians acknowledge the doctrine of hell but they d rather not think about how God punishes the wicked The authors of Four Views on Hell meet this subject head on with different views on what the Scriptures say Is hell to be understood literally as a place of eternal smoke and flames Or are such images simply metaphors for a real but different form of punishment Is there such a thing as conditional immortality in which God annihilates the souls of the wicked rather than punishing them endlessly Is there a Purgatory and if so how does it fit into the picture The interactive Counterpoints forum allows the reader to see the four views on hell literal metaphorical conditional and purgatorial in interaction with each other Each view in turn is presented critiqued and defended This evenhanded approach is ideal for comparing and contrasting views in order to form a personal conclusion about one of Christianity s key doctrines The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians Counterpoints books address two categories Church Life and Bible and Theology Complete your library with other books in the Counterpoints series **The Dogma of Hell** Rev.
