*The Chronological Gospels* Michael John Rood, 2013      *The Four Gospels* Mark P. Krieger, 2010-02 READ THE FOUR GOSPELS AS ONE NARRATIVE Have you ever had the desire to read the Four Gospels as one cohesive unit The Four Gospels Combined and Chronological makes this possible in event chronology Now you can read about the coming of the Christ as it happened in event sequence This book presents what Matthew Mark Luke and John wrote about Jesus Christ in a combined narrative The Four Gospels Combined and Chronological is a singularly unique presentation of the events of Jesus Christ s life as one narrative Introduction to Light John and Jesus Jesus Is Introduced Jesus Early Ministry Going Toward Jerusalem Jesus Teaching Continues Jesus Last Ministry Jesus Last Week Resurrection of Jesus A Scripture index enables easily finding any Gospel passage in Matthew Mark Luke and John All Gospel scriptures are included in the book      *A chronological synopsis of the four Gospels. Tr. by E. Venables* Karl Georg Wieseler, 1877      *The Parallel Chronological Gospels* John A. Olubobokun, 2011-06 The Parallel Chronological Gospels puts all four gospels in parallel columns and the life of Jesus Christ in chronological order The sequence of events in parallel columns are highlighted in vertical hierarchy and is easy to follow without confusion about the timing location and context of such events Readers may choose to read only the highlighted portions of parallel passages or read the entire account in each gospel side by side In this work the King James Version has been modified by changing archaic words to modern easy to understand synonyms to produce a unique modified King James Version mKJV that is refreshingly quite readable and easy to understand The Parallel Chronological Gospels will revolutionize your reading and comprehension of the gospel accounts of Jesus life      *The Sequential Gospels* Romney W. Henry,2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment
