**The School of Night** Alan Wall,2003-05-07 Sean Tallow has only two overriding desires in life One is to step into the shoes of his glamorous friend Daniel Pagett and the other is to establish the truth about the School of Night a shadowy group of Elizabethans who clustered around Sir Walter Raleigh Tallow pursues the School of Night and its entanglement in the question of whether the man from Stratford on Avon could really have written the plays ascribed to William Shakespeare If he didn't then who did The harder he studies the less light is thrown on this troublesome question and the more his interest in the School of Night becomes a grim fixation Just when it seems Tallow is ready to give up the quest day becomes night and everything he once believed is turned on its head as he enters a fearful world where there are no longer any rules except survival Like the original members of the School of Night he finds himself treading on the wrong side of the law **The**

**School of Night** Louis Bayard,2024-03-26 An ancient mystery a lost letter and a timeless love unleash a long buried web of intrigue that spans four centuries In the late sixteenth century five brilliant scholars gather under the cloak of darkness to discuss God politics astronomy and the black arts Known as the School of Night they meet in secret to avoid the wrath of Queen Elizabeth But one of the men Thomas Harriot has secrets of his own secrets he shares with one person only the servant woman he loves In modern day Washington D C disgraced Elizabethan scholar Henry Cavendish has been hired by the ruthless antiquities collector Bernard Styles to find a missing letter The letter dates from the 1600s and was stolen by Henry's close friend Alonzo Wax Now Wax is dead and Styles wants the letter back But the letter is an object of interest to others too It may be the clue to a hidden treasure it may contain the long sought formula for alchemy it most certainly will prove the existence of the group of men whom Shakespeare dubbed the School of Night but about whom little is known Joining Henry in his search for the letter is Clarissa Dale a mysterious woman who suffers from visions that only Henry can understand In short order Henry finds himself stumbling through a secretive world of ancient perils caught up in a deadly plot and ensnared in the tragic legacy of a forgotten genius **Philadelphia Year Book ...** Philadelphia Chamber of
