The Wonky Witch:

The Wonky Witch , *The Wonky Witch & Other Stories in Rhyme* Jane Edmond,1998 **The Wonky Witch** Becky Titelman,2005-08 For millions of people who are diagnosed with cancer their first reaction is that they just received their death sentence That reaction leads to a life of isolation dependence and often misery for the cancer patient One man refused to let that happen He had a job he loved as a newspaper editor a house to take care of and at 41 years old a lot more years of life to live So on the same night he was diagnosed with what would become a constant battle with cancer he resolved to maintain a positive attitude He would use that attitude to guide him through thirteen months of surgeries as well as the physical torture of chemotherapy and radiation and the emotional torture of MRIs and body scans This editor was a busy guy in April 2002 when he was diagnosed with lung cancer and quite frankly he didn't have time for the disease In one of the most inspiring books about living with cancer author Tom Canavan opens the doors to his life and takes readers on the journey through his darkest period *I Don't Have Time for This My Battle with Cancer* is the story of a man who refused to surrender any part of his life while waging war against his illness It is the story of a man who turns to his younger brother an oncologist who guides him along the road to remission *I Don't Have Time for This* is a book every cancer patient should want to read to assure themselves that life can be just as happy and fulfilling even after the diagnosis The book also is recommended reading for families of cancer patients who can find understanding in what their loved ones are enduring following surgery and during radiation and chemotherapy treatments Finally it is the story of one man's strength courage and heroism in the face of so many obstacles that the readers of his newspapers have labeled him an inspiration to so many people
