The Economic Development of the USSR Roger Munting, 2023-06-14 The Economic Development of the USSR 1982 examines the economic advances the Soviet Union made as the first major economy to adopt full scale socialist planning It argues that the Soviet experience demonstrates that remarkable quantitative economic progress can be achieved but at a price which Western democracies would not tolerate Moreover while the planning and control mechanism of the USSR produced striking results in the case of agriculture it often failed to produce satisfactory results The book provides an impartial assessment of the merits and defects of the Soviet planning system which also served as a model for many other Communist countries

Western Technology and Soviet Economic Development Antony Cyril Sutton, 1971

Western Technology and Soviet Economic Development 1930 to 1945 Antony C Sutton, 1973-10 THIS is the second volume of an empirical study of the relationship between Western technology and entrepreneurship and the economic growth of the Soviet Union The continuing transfer of skills and technology to the Soviet Union through the medium of foreign firms and engineers in the period 1930 to 1945 can only be characterized as extraordinary A thorough and systematic search unearthed only two major items SK B synthetic rubber and the Ramzin once through boiler and little more than a handful of lesser designs several aircraft a machine gun and a motorless combine which could accurately be called the result of Soviet

technology the balance was transferred from the West

Western Technology and Soviet Economic Development 1945-1968 Antony C. Sutton, 2022-05-10 THIS is the third volume of an empirical study of the relationship between Western technology and entrepreneurship and the economic growth of the Soviet Union The continuing transfer of skills and technology to the Soviet Union through the medium of foreign firms and engineers in the period 1945 to 1965 can only be characterized as extraordinary

Western Technology and Soviet Economic Development, 1917-1930 Antony C. Sutton, 1971-06-01 *Russian Economic Development Since the Revolution* Maurice Dobb, Henry Charles Stevens, 1928

The Future of the Soviet Economic Planning System David A. Dyker, 1985 First published in 1985 this book offered a fresh analysis of the problems faced by the Soviet economy by focussing on the key issues in the economic planning system David Dyker considers the available options for reform during the 1980s and the most likely developments Discussing the origins of the Soviet economic planning system and the theories which founded it previous attempts to reform the organisational structure and the particular problem of agriculture Dyker presents a picture of an increasingly bleak future for the Soviet economy This is a comprehensive title written by a renowned expert on the Soviet economy which will be of particular value to students and academics researching the political and economic development and history of the Soviet Union
