**Books of the Small Gods Vol. 1** Bruce Blake,2022-05-20 Teryk hated the boredom of being prince sheltered and protected from the outside world He yearned for action and adventure like the heroes of yore like his father the king When he stumbled on an ancient scroll inscribed with a prophecy he got everything he craved and so much more than he bargained for The scroll speaks of non sensical things a barren mother Small Gods a Man From Across the Sea all things that can't exist or only do so in children's stories All of it means nothing to the prince except one thing the Firstborn

Child of the Rightful King is prophesied to save them kingdom He is King Errol s first born child He sees this as his opportunity to show the king he is worthy to be his heir to prove his worth to a father who never cared Bolstered by the words written on the parchment Teryk sets out to fulfil his destiny never expecting his deeds are the catalyst to set the prophecy in motion An ancient evil that has waited a thousand years for revenge awakens summoning its followers to hasten its return Only the unwitting prince stands between them and the end of the world **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences When Shadows Fall Bruce Blake,2013-09-21 An ancient prophecy threatens the return of the Small Gods to seek revenge on those who banished them a thousand years before According to its words only one person can stop them the firstborn child of the rightful king But King Errol usurped the throne decades past For whom are the words intended When the prince and princess discover the long forgotten scroll Teryk is convinced he is the savior of the kingdom and determines to fulfill his destiny His sister is not so sure If he is the chosen one why is it only Danya can read the words inscribed on the parchment And what of the other elements of the prophecy the Barren Mother the Living Statue and the Man from Across the Sea None of them can possibly exist Teryk strikes out on his own to become the hero he is meant to be and prove his worth to his father once and for all His desperate sister and the kingdom s one armed champion give chase but none of them realize the evil they ve set in motion The prince wants to save the kingdom The princess wants to save her brother But in a fight against the gods who will save them all *The Wolf's Shadow* G J Williams,2024-06-06 1558 The body of Thomas Seymour is found hanging naked in an oak tree at Hatfield House the home of Elizabeth Tudor the Queen s sister But Thomas Seymour was supposedly beheaded nine years to the day on Tower Hill How did he return from the dead only to die again **Sherlock Holmes** Yasin Güneş,2025-11-17 Sherlock Holmes faces a menace that writes in darkness When a miserable street musician is found dead before a wall that bears a strange shadow an angular deliberate pattern Holmes and Watson uncover not a random killing but a language an ancient system of shadows as letters a secret Alphabet of Shadows that turns time architecture and light into a cryptic script What begins as a single murder soon becomes a sequence of ritualized messages each shadow points to an hour each hour to a place and each place to a name As Holmes deciphers watches ruined clocks and Lockwood s private ledgers he sees a map of vengeance woven through London s stones a plan devised by men who believed they could judge the guilty beyond the law Atmospheric cerebral and quietly terrifying The Cipher of Shadows fuses classical Holmesian deduction with a modern psychological undercurrent The stakes are not only life and death but the very meaning of justice when a cult of retribution writes its verdict in light and shadow can reason alone stop it Yasin Güneş reimagines Baker Street s greatest partnership for a case where geometry music and memory become instruments of fate and where every solved clue reveals a darker design For readers who hunger for puzzle driven suspense elegant prose and moral questions that linger long after the last page this is a Holmes story that both honors the

canon and breaks new ground Read it for the mystery Stay for the poetry of light and the chill of a justice written in darkness
