The Ephraim Chronicles:

The Ephraim Chronicles Lee Nelson,2000-06 In 1923 Frank Clark headed into the wilderness to trap Old Ephraim the most notorious grizzly the Utah mountains had ever seen Ephraim literally waded into herds of sheep and cattle as his powerful paws broke legs and backs and slung entrails in every direction Defying the herdsman who invaded his historical domain he overturned their steel traps and dared them to come get him with an impunity unparalleled in the history of the American West What Clark didn't know was that Ephraim had a friend in Danny Evans This is the story of a bear and a boy and the forces that rush them to the brink of tragedy as Danny discovers himself and the value of faith The Ephraim Chronicles is Lee Nelson's 26th book a novel of determination and spiritual growth based on actual history Some of the names have been changed Some have not

The Book of Ephraim Yahoshuah Ben Israel,2005-08 The Book of Ephraim is totally contrary to everything that has been taught through the years Its pivotal position is that of the gross misunderstanding of what the Bible is trying to impart to the world and the huge blasphemy that has been perpetrated by those who maintain the incorrect teaching of the Almighty of Yeshua Christ and of the original thirteen tribes of the Ancient House of Israel Yahoshuah recalls how each chapter seemed to just hang in front of his mind's eye as he merely wrote the words on to paper There was at no time any effort to think about what next to write The Book of Ephraim wrote itself Mystical in nature the Book of Ephraim chronicles the development of the tribes and follows the progressive movement through the pages of the Bible until this special group of people are destroyed and divinely curse by Yahovah the creator and sustainer of ancient Israel The book traces and clearly shows that there is only one group of people throughout all history that could even remotely be identified with the lost sheep of the House of Israel Controversial and shocking The Book of Ephraim will leave you enthralled

hero cannot remain a static character if he or she is to appeal to diverse and dynamic communities On the other hand a traditional icon should retain some basic features in order to remain recognizable Joshua son of Nun is an iconic figure of Israelite cultural memory described at length in the Hebrew Bible and venerated in numerous religious traditions This book uses Joshua as a test case It tackles reception and redaction history focusing on the use and development of Joshua s character and the deployment of his various images in the narratives and texts of several religious traditions I look for continuities and discontinuities between traditions as well as cross pollination and polemic The first two chapters look at Joshua s portrayal in biblical literature using both synchronic literary analysis as well as diachronic *berlieferungsgeschichte* and redaction source criticism methodologies The other four chapters focus on the reception history of Joshua in Second Temple and Hellenistic Jewish literature in the medieval Arabic Samaritan Book of Joshua in the New Testament and Church Fathers and in Rabbinic literature
