The Soviet Union:

The Soviet Union Since 1917 Martin McCauley, 1981 **The Soviet Union** Vadim Medish, 1991 M CREATED *The Rise and Fall of the Soviet Union* Martin Mccauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

How the Soviet Union is Governed Jerry F. Hough, Merle Fainsod, 1979 This is a new and thorough revision of a recognized classic whose first edition was hailed as the most authoritative account in English of the governing of the Soviet Union Now with historical material rearranged in chronological order and with seven new chapters covering most of the last fifteen years this edition brings the Soviet Union fully into the light of modern history and political science The purposes of Fainsod's earlier editions were threefold to explain the techniques used by the Bolsheviks and Stalin to gain control of the Russian political system to describe the methods they employed to maintain command and to speculate upon the likelihood of their continued control in the future This new edition increases very substantially the attention paid to another aspect of the political process how policy is formed how the Soviet Union is governed Whenever possible Mr Hough attempts to analyze the alignments and interrelationships between Soviet policy institutions Moreover he constantly moves beyond a description of these institutions to probe the way they work Two chapters are devoted to the questions of individual political participation Other chapters examine the internal organization of institutions and explore the ways in which the backgrounds of their officials influence their policy positions and alliances The picture that emerges is an unprecedented account of the distribution of power in the Soviet Union Studies on the Soviet Union, 1964 **Russia And The Soviet Union** John M

Thompson, 2019-08-22 This book is a brief lucid account of Russian and Soviet history from ancient Kievan Rus to the present day Equal attention is paid to the early and the modern periods of Russian history The author has revised this new edition to include the dramatic changes in the Soviet Union and its foreign policy during Gorbachev's first five years in office The text is supplemented with maps and illustrations and includes bibliographies at the end of each chapter Designed for use by students in either a one or two semester introductory course in Russian history Russia and the Soviet Union will also be

valuable to any reader seeking to become acquainted with the story of the Russian people their tribulations and courage tragedies and triumphs and their remarkable contribution to world culture **The Soviet Union** Stephen Lovell,2009-07-23 Almost twenty years after the Soviet Unions end what are we to make of its existence Was it a heroic experiment an unmitigated disaster or a viable if flawed response to the modern world Taking a fresh approach to the study of the Soviet Union this Very Short Introduction blends political history with an investigation into the society and culture at the time Stephen Lovell examines aspects of patriotism political violence poverty and ideology and provides answers to some of the big questions about the Soviet experience ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Russia And The Soviet Union** John M Thompson,1998-09-24 This book presents a brief lucid account of Russian and Soviet history from ancient Kievan Rus to Borris Yeltsin s dispersal of the anti reform parliament Thompson s balanced treatment pays equal attention to the early and modern periods of Russian history This new thoroughly revised edition reassesses the legacy of the Brezhnev period looks at the crucial transitional role of Mikhail Gorbachev analyzes the dramatic breakup of the Soviet Union and provides an overview of the emergence of noncommunist Russia An all new chapter focuses on events since 1991 including the war in Chechenya and Russia s relations with the other post Soviet successor states The text is supplemented with maps and illustrations and includes bibliographies and suggested readings at the end of each chapter Designed for use by students in either a one or two semester introductory course in Russian history Russia and the Soviet Union will also be valuable to any reader seeking to become aquatinted with the story of the Russian people their traditions and courage their tragedies and triumphs and their remarkable contribution to European and world culture The Soviet Union Since Stalin Stephen F. Cohen,Alexander Rabinowitch,Robert S. Sharlet,1980 *A History of the Soviet Union from the Beginning to the End* Peter Kenez,2006-05-01 An examination of political social and cultural developments in the Soviet Union The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia from the turn of the century to the revolution of 1917 Kenez envisions that revolution as a crisis of authority that posed the question Who shall govern Russia This question was resolved with the creation of the Soviet Union Kenez traces the development of the Soviet Union from the Revolution through the 1920s the years of the New Economic Policies and into the Stalinist order He shows how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West In this second edition he also examines the post Soviet period tracing Russia s development up to the time of publication Russia and the Soviet Union Warren Bartlett Walsh,1958 For the Soul of Mankind Melvyn P. Leffler,2007-09-18 What caused the Cold War in the first place

and why did it last as long as it did Melvyn P Leffler homes in on four crucial episodes when American and Soviet leaders considered modulating avoiding or ending hostilities and asks why they failed *The Shortest History of the Soviet Union* Sheila Fitzpatrick,2022-09-06 In 1917 Bolshevik revolutionaries came to power in the war torn Russian Empire in a way that defied all predictions including their own Scarcely a lifespan later in 1991 the Soviet Union collapsed as accidentally as it arose The decades between witnessed drama on an epic scale the chaos and hope of revolution famines and purges hard won victory in history s most destructive war and worldwide geopolitical conflict all entwined around the dream of building a better society This book is a lively and authoritative distillation of this complex history told with vivid details a grand sweep and wry wit The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age its rise reign and unexpected fall as well as its afterlife in today s Russia She underscores the many ironies of the Soviet experience An ideology that claimed to offer humanity the reins of history wrangled with contingency An avowedly internationalist and anti imperialist state birthed an array of nationalisms And a vision of transcending economic and social inequality and injustice gave rise to a country that was in its way surprisingly normal Moving seamlessly from Lenin to Stalin to Gorbachev to Putin The Shortest History of the Soviet Union provides an indispensable guide to one of the twentieth century s great powers and the enduring fascination it still exerts

The Soviet Union Introduction

In today's digital age, the availability of The Soviet Union books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Soviet Union books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Soviet Union books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing The Soviet Union versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Soviet Union books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Soviet Union books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Soviet Union books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Soviet Union books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Soviet Union books and manuals for download and embark on your journey of knowledge?
