An Argument Delivered in the Representatives' Hall, Boston, April 3, 1867** John Albion Andrew, 2023-07-18 Andrew's book presents a well-reasoned argument against the prohibition of alcohol. He presents his position with well-supported research pointing out the adverse consequences of prohibiting the sale and consumption of alcohol. The author takes his argument a step further by providing alternatives that would be both more practical and less harmful to society. Written in the late 19th century, Andrew's arguments remain relevant and important even today.
