Stephen Decatur:

Stephen Decatur Spencer C Tucker, 2013-12-15 Brave energetic intensely patriotic Stephen Decatur is America's first great naval hero after John Paul Jones. His short and dramatic life is a story of triumph and tragedy told by the noted historian and author of some twenty books. Spencer Tucker. Decatur's raid into Tripoli Harbor in 1804 to burn the Philadelphia, a prized U.S. warship captured when it ran aground during the Barbary Wars, earned him international fame. An admiring Horatio Nelson described the feat as the most bold and daring act of the age. Explaining the tremendous impact Decatur's action had on the early U.S. Navy, the author notes that it set a standard of audacity and courage for generations of future naval officers. At the age of twenty-five, Decatur was promoted to captain, becoming the youngest naval officer ever to attain that rank in the U.S. Navy. The book fully examines Decatur's astonishing achievements as it chronicles his rapid rise in the Navy, including his command of the *Constitution* and the *United States* during the War of 1812 when he captured the British frigate *Macedonian* off the Azores. The book also recounts the cruise that many call his greatest triumph. Decatur sailed into the Mediterranean with a nine-ship American squadron to punish the dey of Algiers for taking American merchant shipping, securing peace with Algiers, and keeping other Barbary states quiescent. Lionized by a grateful American public upon his return, Decatur offered a toast at a reception in his honor that is now legendary: "Our country, in her intercourse with foreign nations, may she always be in the right, but our country, right or wrong." In describing Decatur's life, the author also examines Decatur's relationship with James Barron, a Navy captain who fatally shot Decatur during a 1820 duel. **Our Country, Right Or Wrong** Leonard F. Guttridge, 2006-10-17 An in-depth profile of Commodore Stephen Decatur chronicles the epic exploits and illustrious military career of the American naval hero both in Tripoli during the Barbary Wars and during the War of 1812, as well as his diplomatic dealings with the Islamic powers of the Mediterranean. **A Rage for Glory** James T. De Kay, 2004 A vivid and intelligent biography of one of America's greatest naval legends. 256 pp. [The Life and Character of Stephen Decatur](#) Samuel Putnam Waldo, 1821 *Stephen Decatur* Robert J. Allison, 2005 Born to an immigrant Philadelphia family in 1779, Stephen Decatur became at age twenty-five the youngest man ever to serve as a captain in the U.S. Navy. His intrepid heroism, leadership, and devotion to duty made him a perfect symbol of the aspirations of the growing nation. Leading men to victory in Tripoli, the War of 1812, and the Algerian war of 1815, and coining the phrase "Our country, right or wrong," Decatur created an enduring legend of bravery celebrated in poetry, song, paintings, and the naming of dozens of towns from Georgia to Alabama to Illinois. Decatur's friendships with James Madison, John Quincy Adams, and others made him a rising star in national politics. He and his wife Susan built an elegant home near the White House, which became a center of Washington society. The capital and the nation were shocked when Decatur was killed at the age of forty-one in a duel with a rival navy captain. Although he died prematurely, Decatur played a significant role in the shaping of the nation's identity at a time when the American people were deciding what kind of nation they would become.
