STEPPING INTO ETERNITY

The background of the cover is a surreal, ethereal landscape. A person in a full space suit, including a helmet and a backpack, is walking away from the viewer on a path of floating, rectangular steps. The steps lead towards a large, glowing eye that appears to be looking out from the sky. The sky is filled with soft, white clouds and a bright light source, creating a hazy, dreamlike atmosphere. The overall color palette is dominated by blues, whites, and greys, with the red text providing a strong contrast.

Stepping Into Eternity:

Stepping Into Eternity Robert L. Shepherd,2022-01-28 This book is being written to alert my Readers that time as we know it is running out Soon Time shall be no more as Eternity appears to remain and exist FOREVER Eternity begins for all men and women at their demised and departure physical death To be absent from the body for a saint is to be in the presence of the Lord in the 3rd Heaven But to be absent from the body for a sinner is to be in Hell a place of fire and torment Before I finish STEPPING INTO ETERNITY as in most of my books I will quote the Sinner s Prayer and give my Readers an invitation to repent and be saved And to be ready to meet our Creator Lord and King Jesus Christ HE S COMING BACK SOON This book will educate all who reads it to the reality of Heaven and Hell Eternity s initial places where the dead will abide HOPE YOU ENJOY THIS BOOK

Stepping Into Eternity Tom Parrish,2010-05-01 On July 6 1979 my mother in law Beatrice Gnotek breathed her last breath and stepped into eternity It is not the fact that she died but the experience she had shortly before she died that has profoundly impacted my life On the morning she died she was visited by Jesus Christ who spoke directly to her and then proceeded to take her by the hand and walk her into the kingdom of God I was privileged to be present and to be an eyewitness to these incredible events As an eyewitness to her encounter with Jesus I had a curtain to eternity parted and saw with my own eyes and heard with my own ears the reality of the life to come This singular day has shaped and transformed my understanding of the living reality of Jesus and his personal presence for those who love him My mother in law shortly before her death made a profound statement She said The church does a fairly good job at teaching us how to live as Christians but I did not receive any teaching or practical preparation for dying My goal in writing this book is to open discussion and investigation into the final event of human existence this side of heaven for those who trust in Jesus so that we can be equipped and prepared for that great event It is vital for the reader to understand that this book is focusing on those who have made a personal profession of faith in Jesus Christ prior to that final day I will personally relate some of the experiences I have had with the more than 30 people who have died in my presence In each of these cases the Lord Jesus came for the individual at the final hour Although each situation is different the common characteristics of peace joy and hope accompanied each encounter
