Weeding Library Collections Stanley J. Slote, 1989 Based on the author's ongoing research field observations and interviews with library professionals this edition thoroughly updates the previous one and simplifies the process of weeding Slote shows librarians how to identify the core collections versus the weedable items After reviewing current weeding practices and standards he discusses a variety of traditional and computer assisted methods for weeding His approach is based on the new understanding of the relationship between in library use and circulation use A section dealing with reference noncirculating collections has been added and the chapter on computer assisted weeding has been completely rewritten to help librarians streamline the weeding process All forms have been redesigned

A Sense of Place Daniel A. Kriesberg, 1999-03-15 Celebrating nearby nature and the marvels of our own backyards this book helps you introduce children to the world around them With quality children's literature and simple activities you can cultivate a child's sense of wonder and joy and teach him or her the importance of living in harmony with nature These projects span the curriculum and are presented in reproducible format so they're easy to use Highlighting the five senses sight sound smell taste touch they build connections between students and the land and create in young learners a sense of place a true necessity for living in the world today Grades K-6

Weeding Library Collections--II Stanley J. Slote, 1982 Library science textbook on the weeding of documents in library collections includes a literature survey and forms questionnaires used for weeding Bibliography

Crash Course in Weeding Library Collections Francisca Goldsmith, 2015-11-02 Weeding is a perennial challenge for librarians This book will help you rise to the task by offering you basic instructions including information on new formats and digital collections Weeding is often difficult who can easily decide to discard books and other materials that someone may someday want to borrow But weeding is essential to keeping your collection healthy and relevant Perfect for all types of libraries and for both paraprofessionals and librarians unfamiliar with modern weeding methods this practical guide offers clear guidance that can help you cope with the sometimes paralytic fear and distaste that can accompany a must do task Each of the book's chapters treats a specific concern for example weeding electronic collections Practical matters related to collection maintenance through material and online resource weeding are addressed as are policy and procedure documentation and communication planning and best practices You'll read about weeding ethics using vendor provided weeding tools and floating collections The book also shares advice on training volunteers as weeding assistants and on communicating with library stakeholders about collection maintenance By showing you how to make weeding a normal part of your library's routine this book will help you provide your community with a healthier better circulating and more valuable collection
