## **Weeding Library Collections Research Studies In Library Science:**

**Weeding Library Collections** Stanley J. Slote, 1989 Based on the author's ongoing research field observations and interviews with library professionals this edition thoroughly updates the previous one and simplifies the process of weeding. Slote shows librarians how to identify the core collections versus the weedable items. After reviewing current weeding practices and standards he discusses a variety of traditional and computer assisted methods for weeding. His approach is based on the new understanding of the relationship between in library use and circulation use. A section dealing with reference noncirculating collections has been added and the chapter on computer assisted weeding has been completely rewritten to help librarians streamline the weeding process. All forms have been redesigned. *Weeding Library Collections* Stanley J. Slote, 1975 Historical account of the Old World and the New unlike Asia and Africa America never saw its colonizers leave. Research Studies in Library Science Linda Stoddart Kropf, 1973 **Weeding Library Collections--II** Stanley J. Slote, 1982 Library science textbook on the weeding of documents in library collections includes a literature survey and forms questionnaires used for weeding. Bibliography **Resources in Education**, 1996 **Critical Guide to Catholic Reference Books** James Patrick McCabe, 1980 New edition of a 1980 reference cited in Sheehy. The 1500 annotated entries are grouped into five chapters: general reference works, theology, humanities, social sciences, and history. The books listed include those dealing with topics peculiar to the church such as liturgy and theological disciplines and those dealing with the social sciences, literature, the arts, and similar subjects to which Catholics have traditionally contributed a unique perspective. Catholic authorship alone is not enough to justify the inclusion of a reference work; the contents or point of view must relate in some way to Catholicism. Periodicals are only included if they are of a bibliographic nature or if they publish annual bibliographies. Annotation copyrighted by Book News Inc.
