## **The Red Bridge Reader:**

The Red Bridge Reader James K. Norman, Norman Gerson, Sharon J. Gerson, 2001     The Red Bridge Garfield McAdam, 2014-05-16 The Red Bridge is real the stories are not they come from a confabulation of ideas and facts in my memory All the stories have a mention of a Red Bridge in them In some the stories are connected to it but in others the bridge is but a cameo in the story The bridge depicted on the cover is how I remember it from my childhood It is a sister bridge which still stands while the actual Red Bridge has been replaced by concrete and is not near as beautiful as the original one I must say I am the only one with this memory and attachment to the Red Bridge Along with memories of my Grandmother and Grandfather McAdam it is a strong pull to my roots in my hometown of Perth Ontario While there may be a hint of the real my characters are totally fictitious and are not meant to symbolize anyone real living or dead They are created for fun and enjoyment     The Boys' and Girls' Readers Emma Miller Bolenius, 1923     The New Silent Readers ...
