

Most Vs. Most Of

The words **most**, **many** and **some** are called **quantifiers**; and we use them to describe the quantity (how much) of something.

MOST | MANY | SOME

We use the structure **quantifier + noun** when we are speaking in general and do not have a specific group of people or things in mind.

GENERAL

quantifier + noun
(do not use 'of' or a determiner)

EXAMPLES:

Most people like movies.

Many students study engineering.

Some people move abroad.

MOST OF | MAY OF | SOME OF

We use **most of**, **many of** and **some of** with a **determiner** (e.g. articles, demonstratives and possessives) to refer to a quantity of a specific group.

SPECIFIC

quantifier + of + determiner

EXAMPLES:

Most of the people I know like movies.

Many of this university's students study engineering.

Some of my friends have moved abroad.

Some More Most

English Made Easy John Tourian,2003-12-11 I have often been frustrated and amused by natives who want to be understood only by the collusive other natives and thus resort to the use of esoteric expressions the meanings of which are only privy to their people or even group The most enduring manner to memorialize the truth is to render the language understandable even if it entails going back to its proper roots Typical of me I chose the hardest of them all English specifically because its rules have been intentionally overlooked or in some cases glossed over in favor of a wider comprehensibility as happened in plastics computer science or military jargon Let me put it this way if there already is a way to say something well there is no need to create a new way of saying itto the glaring degradation of the language The purpose of a language is universal understand of what is said In the case of the English language make that what is said how it is said how it is written and even how it is pronounced It is pointless for English speaking people to wrongly interpret the intent of another of their kind or to answer in an equally obfuscating fashion If I say something I want to be universally understood in as clear a manner as possible *Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places* Glenn W. Martin,2005-03-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul
