

An open Bible is shown from a high-angle perspective, resting on a dark wooden surface. The pages are yellowed with age and contain dense, small text. The Bible is open to two pages, with the gutter visible in the center. The background is slightly blurred, showing what appears to be a window or a bright light source. Overlaid on the image is white text with a black outline, which is the main content of the image.

**And They Overcame...** Jeremiah Pojah,2015-08-17 This book is comprised of 21 personal handwritten testimonies of how real people entered into salvation and how Jesus Christ became a reality in their lives Each account is different and distinct because every person on earth is faced with a different set of circumstances and living situations Even though all of these people are coming from different backgrounds they all have one thing in common Jesus Christ has brought salvation to their souls and is delivering them from the shackles of sin and death *And They Overcame Him* Raelynn Wooster,2025-06-04 It is possible to overcome the devil in these dark times in which we live Revelation 12 11 tells us how We overcome him by the blood of the Lamb Jesus Christ s sacrifice on the cross for each person willing to freely accept it and by the word of their testimony When we share what Christ has done in our lives it gives others hope and the faith necessary to reach out and accept his life giving provision for themselves Each person that comes to faith in Christ is one less person who Satan can claim as his own to spend eternity with him in hell We overcome Satan by the blood of the Lamb and the word of our testimony On the following pages are the true stories of real people whose lives have been drastically changed by the blood of the Lamb They are sharing their testimonies because they believe the Word of God and know that their story has the power to defeat Satan in the lives of others and change their lives for the better These are ordinary people just like you *And They Overcame Him* *They Overcame* Marcus L.
