The New Monthly Magazine and Literary Journal, 1840     **It's Time to Fight Dirty** David Faris, 2018-04-10 An accessible actionable blueprint for how Democrats can build lasting durable change without having to amend the Constitution American democracy could disappear altogether within our own lifetimes Everyone who wants to avoid that catastrophe must read his book Guardian The American electoral system is clearly falling apart more than one recent presidential race has resulted in the clear winner of the popular vote losing the electoral college vote and Trump's refusal to concede in 2020 broke with all precedents at least for now Practical solutions need to be implemented as soon as possible And so in It's Time to Fight Dirty political scientist David Faris outlines accessible actionable strategies for American institutional reform which don't require a constitutional amendment and would have a lasting impact on our future With equal amounts of playful irreverence and persuasive reasoning Faris describes how the Constitution's deep democratic flaws constantly put progressives at a disadvantage and lays out strategies for fighting dirty though obstructionism and procedural warfare establishing statehood for DC and Puerto Rico breaking California into several states creating a larger House of Representatives passing a new voting rights act and expanding the Supreme Court The Constitution may be the world's most difficult document to amend but Faris argues that many of America's democratic failures can be fixed within its rigid confines and at a time when the stakes have never been higher he outlines a path for long term progressive change in the United States so that the electoral gains of 2020 aren't lost again     **The Garden**, 1895     *Report* USA Department of Agriculture Division of Statistics, 1890     *Code of Federal Regulations*, 1968 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries     "A" *Call to the Unconverted...* Richard Baxter, 1840     **The Farmer**, 1921 Includes Report of the Jamaica Agricultural Society 1963     Time Briton Hadden, Henry R.
