Holiday Specials on Television, 1939-2021 Vincent Terrace, 2023-01-27 In November 1939 NBC's fledgling television station W2XBS broadcast the first known holiday special The Macy's Thanksgiving Day Parade. Despite its small viewership, very few TV sets existed at the time the experimental telecast was a harbinger of a now beloved American tradition: the holiday television special. This book offers a thorough account of holiday television specials in the United States from 1939 to 2021, highlighting variety shows, comedic performances, musical spectacles, and more. From familiar favorites like Rudolph the Red-Nosed Reindeer to campy one-offs like He-Man and She-Ra: A Christmas Special, the 1140 programs are covered alphabetically and feature performance casts, production credits, and storylines for each. Three appendices cover lost holiday specials along with Christmas and Halloween-themed episodes of popular television series. *The Two Noble Kinsmen, Revised Edition* William Shakespeare, 2015-02-26 This tragic comedy is one of the plays we know Shakespeare worked with a collaborator on John Fletcher and is based on Chaucer's Knight's Tale. This revised edition includes a new introductory essay bringing the edition up to date in terms of both the play's performance and critical history, and in particular with current thinking about the nature of Shakespeare's collaboration with other playwrights. As scholars have begun to discover more about this aspect of his career, interest in the play has grown. This revised edition is ideal for undergraduate study, offering on-page annotations to the play text as well as a lengthy illustrated introduction. **Happy Holidays--Animated!** William D. Crump, 2019-03-11 Since the early 20th century, animated Christmas cartoons have brightened the holiday season around the world, first in theaters then on television. From devotional portrayals of the Nativity to Santa battling villains and monsters, this encyclopedia catalogs more than 1,800 international Christmas-themed cartoons and others with year-end themes of Hanukkah, Kwanzaa, and the New Year. Explore beloved television specials such as *A Charlie Brown Christmas*, theatrical shorts such as *Santa's Workshop*, holiday episodes from animated television series like *American Dad!* and *The Simpsons*, feature films like *The Nutcracker Prince*, and obscure productions such as *The Insects*.
