own design When Theseus entered the Labyrinth and came away with the prize of freedom and his beloved Adrienne Mistress of the Labyrinth his future seemed assured Until he abandoned her for the unforgivable sin of bearing him only a daughter and the world seemed to change From that day forward all the Labyrinths in the ancient world started to decay It slowly became clear that power was fading from the city states Was it the natural decline that comes to all cultures or was it because the power of the Labyrinth had been corrupted by a woman spurned A hundred years pass Troy has fallen and the Trojans are a scattered and humbled people The warrior Brutus is of the line of kings and gods He wears the golden kingship bands of Troy proudly but they are his only mementos of a former glory for he is a man without a country and is left little else but pride and a memory of the latent power that he could wield if but given a chance When he receives a god sent vision of a distant shore where he can rebuild the ancient kingdom he will move heaven and earth to reach his destiny Ever eastward he is drawn to a lovely and mystical green land that offers him a haven and a dream of power and conquest Nothing will deter him not even the entreaties of the young princess whom he took as his wife and bedded against her will First her hatred and now her love torment and bind him She is the only one who realizes the danger he is stepping into and she will do anything to save him and his son whom she carries in her womb For in the mists of Albion there lies a woman of power a woman who has used her siren call to cloud Brutus s mind and has her own reasons for luring the warrior to these lush shores She is the long descended granddaughter of Adrienne and she has in her heart a hatred that has been passed down for generations Her plans for Brutus will enact a revenge that could destroy the gods themselves If Brutus makes the journey successfully it will be the next step in the Game of the Labyrinth and might start a complicated contest of wills that could span centuries
