

DYLAN SPROUSE

MASON GOODING

A movie poster for the film 'Under Fire'. The image shows two men, Dylan Sprouse and Mason Gooding, in a chaotic, debris-filled environment. Dylan Sprouse is in the foreground, wearing a dark jacket and holding a handgun, looking intently towards the left. Mason Gooding is behind him, also holding a handgun and looking towards the right. The background is filled with dust and debris, suggesting a recent explosion or battle. The title 'UNDER FIRE' is written in large, bold, orange letters at the bottom left.

Under Fire:

World War I Eugene Edward Beiriger, 2018-11-26 Focusing on the war on the Western and Southern fronts and inclusive of material from all sides of the conflict this book explores the novels and poems of significant soldier writers alongside important contemporary historical documents The literary works of the First World War are one of the richest sources we have for understanding one of the twentieth century's most significant conflicts Not only do many of them have historical merit but some were critically acclaimed by both contemporaries and subsequent scholars For example Henri Barbusse's *Under Fire* one of the earliest novels of the war won accolades in France and the respect of war poets Siegfried Sassoon and Wilfred Owen as well as novelists Erich Maria Remarque and Ernest Hemingway This book examines these works and those of war poets Rupert Brooke and John McCrae and others providing context as well as opportunities to explore thematic elements with primary source documents such as diaries letters memoirs newspaper and journal articles speeches and government publications It is unique in its use of literary and historical sources as mediums by which to both better understand the literature of the war and use literature to better understand the war itself

Engineering Materials, Structures, Systems and Methods for a More Sustainable Future Alphose Zingoni, 2025-08-07 *Engineering Materials Structures Systems and Methods for a More Sustainable Future* comprises 275 papers that were presented at SEMC 2025 the Ninth International Conference on Structural Engineering Mechanics and Computation This event held in Cape Town South Africa from 1 to 3 September 2025 was attended by around 300 participants from 42 countries worldwide The Proceedings are divided into 15 sections The various topics may be grouped into five broad categories covering i the mechanics of materials solids and structures ii numerical modelling computational simulations and experimental testing iii analysis design and construction in the traditional engineering materials iv innovative engineering materials structures and methods v maintenance long term performance life cycle considerations and sustainable construction *Engineering Materials Structures Systems and Methods for a More Sustainable Future* will be of interest to civil structural mechanical marine and aerospace engineers as well as planners and architects Two versions of the papers are available full papers of length six pages are included in the e book while short papers of length two pages intended to be concise but self contained summaries of the full papers are in the printed book

Rage and the Republic Jonathan Turley, 2026-02-03 On the 250th anniversary of the Declaration of Independence law professor legal analyst and bestselling author of *The Indispensable Right* Jonathan Turley explores how the unique origins of American democracy set it apart from other revolutions whether it can survive and thrive in the 21st century and how the unfinished story of the revolution will play out in a rapidly changing world This is a book about revolutions Most countries are the progeny of revolution At the birth of this nation the Founding Fathers faced the quintessential question of self governance how do you keep democracy from devolving into violent anarchy or brutal despotism Drawing on little known facts from the founding Jonathan Turley reveals how the United States escaped the cycles

of violence and instability that plagued other democratic movements from ancient Athens to 19th century France As the nation approaches a new era marked by artificial intelligence robotics and profound economic shifts America must again withstand the pressure of radical forces that seek to curtail our natural liberties under the guise of popular reform In this crisis of faith many politicians and pundits are questioning the very principles of American democracy and some law professors are even calling for scrapping the Constitution Synthesizing sources from history to philosophy to the arts Turley offers a hopeful account of how the lessons of the past can guide us through today s crisis of faith in democracy and see us into the future He notes From redcoats to robots our challenges have changed Yet we have remained Our greatest danger is not forgetting the history detailed in this book but forgetting who we were in that history **The Trial of Lizzie Borden** Cara Robertson,2019-03-12 WINNER OF THE NEW ENGLAND SOCIETY BOOK AWARD In Cara Robertson s enthralling new book *The Trial of Lizzie Borden* the reader is to serve as judge and jury The New York Times Based on twenty years of research and recently unearthed evidence this true crime and legal history is the definitive account to date of one of America s most notorious and enduring murder mysteries Publishers Weekly starred review When Andrew and Abby Borden were brutally hacked to death in Fall River Massachusetts in August 1892 the arrest of the couple s younger daughter Lizzie turned the case into international news and her murder trial into a spectacle unparalleled in American history Reporters flocked to the scene Well known columnists took up conspicuous seats in the courtroom The defendant was relentlessly scrutinized for signs of guilt or innocence Everyone rich and poor suffragists and social conservatives legal scholars and laypeople had an opinion about Lizzie Borden s guilt or innocence Was she a cold blooded murderess or an unjustly persecuted lady Did she or didn t she An essential piece of American mythology the popular fascination with the Borden murders has endured for more than one hundred years Told and retold in every conceivable genre the murders have secured a place in the American pantheon of mythic horror In contrast Cara Robertson presents the story with the thoroughness one expects from an attorney Fans of crime novels will love it Kirkus Reviews Based on transcripts of the Borden legal proceedings contemporary newspaper accounts unpublished local accounts and recently unearthed letters from Lizzie herself *The Trial of Lizzie Borden* is a fast paced page turning read Booklist starred review that offers a window into America in the Gilded Age This remarkable Bustle book should be at the top of your reading list PopSugar [Annual Reports of the War Department](#) United States.
