Astrologickal Magick Estelle Daniels,1995-04-01
Magickal workings and everyday life itself are significantly enhanced by astrological knowledge In *Astrological Magick* Estelle Daniels explains the language symbolism and techniques to the student of magick Ranging from the simple to the complex the techniques presented do not require extensive math or natal chartsjust an astrological almanacmaking this book an easily accessible and useful took when choosing opportune times for magickal events or seeking to understand the magickal nature of your personal astrology This is the first book to explain how people interested in the pagan way in Wicca and in magickal practices can apply astrological indicators and energies to important timings and rituals

The Astrological Imagination Brad Hiljanen Kochunas,2008-09
Many books today simply widen the field of astrology by promoting newly created techniques or championing older historical methods for investigating every possible nook and cranny of a horoscope In contrast this award winning writer points the reader in a new direction toward deepening the way that we approach and think about astrology in these post modern times Drawing upon the archetypal perspectives of Mircea Eliade James Hillman and Thomas Moore the author presents a truly psychological astrology an astrology of soul that can plumb the depths of our being sounding out our centers in a manner that enriches our struggle to fully engage what it means to be human

The Advantages and Disadvantages of Astrology Derek

Ellison,2018-09-24 Making life altering decisions using astrology in general and the zodiac and horoscopes in particular can be extremely complicated for the average person who is not an astrologer and thus not acquainted with celestial or planetary movement and influences Most of the information provided by astrologers mean little or nothing to the average person who is simply more interested in will I be successful or will I find true love etc Astrology has the ability to be a major asset in our lives The key to astrology is not in only understanding the effects that the celestial planetary influences are having on us and the people associated with us but the effect the influences are having on the environment around us and those we are targeting with our concerns Only then can we attempt to make decisions that are advantageous to our and their existence The purpose of the astrological knowledge and Life Charts in this book is to give you a broader view of the character and personality of people places and things This book will help you to understand which planetary influences are having the greatest and least effects on your life and the lives of others This book will help you to determine which year month week day hour and minutes favor your intentions or may be unfavorable to your intentions This book will teach you how to see the planets and their actions reflected in the people places and things around you Best of all this book was designed to will provide you with the astrological knowledge you need without all the ever expanding and complicated signs symbols and calculations that normally require years of study to master This book is not designed to teach you predictive astrology as no form of astrology and no astrologer can offer guarantees for the future This is due to the fact that you have a free will which means that you can change your mind at any time Proper use of astrology can only offer better odds for success in our undertakings

Traveling by the Stars Christine Rakela,2021-06-28 Now you can be armed with an easy and fun strategy using astrology that can make your trip a success With this enlightening informative book for people interested in the stars as well as travelers around the world you can use the basics of astrology to have a great trip without worrying about traveling disasters You can read about a travel strategy then be entertained by your Sun sign and star compatibility while traveling This new perspective explains why some trips go awry and how you can avoid certain days where the astrological influences are not supportive of taking a trip whether it is locally or overseas Find the optimal times to thoroughly enjoy your trip and avoid the adverse travel times that cause delays problems and accidents which could lead to a disastrous experience Knowing which days to travel can be your invitation to pack your bags and have a great time
