-ACKNOWLEDGMENTS-

This book represents many hours of dedicated work by myself and everyone involved in its generation. While their names do not appear on the cover, special credit is due to David Gordon, Larry Bouyer, and my wife Mandy. The management and marketing efforts by Dave made this book possible (although it took a long time...). Larry and Mandy transformed a computer programmer's "illiterate" rough draft into this document. Many thanks also to Glynn Dunlap, whose wonderful cartoons added greatly to this book. I owe these four people a great deal.
