**God's Free-Man** Ted Freeman, 2021-03-24 *God's Free Man: An American Tale of Perseverance: A Life in Service* By Ted Freeman *God's Free Man* is a historical presentation guided by God that delineates the capture of Harry and Kate Freeman who were the co-founders of the city of Auburn New York. Taken and made slaves from Guinea Africa, they were freed by the Mansfield Decree in England and came to the colonies as indentured servants. Fought in the Revolutionary War and created one of the most important stations and terminals during the Underground Railroad Movement. Further in Freeman delves into how their sons played pivotal roles in one of the most tumultuous times in American history. From the pain and agony of their grandson's murder spree that introduced the plea of insanity to America's jurisprudence to the excitement of a grandson who worked closely with Secretary of State William Seward and Harriet Tubman, the story of the Freemans brings to light a segment of American history waiting to be heard.

The Tao of Solomon Rabbi Rami Shapiro, 2023-09-22 In *The Tao of Solomon*, Rabbi Rami Shapiro unravels the golden philosophical threads of wisdom in the book of Ecclesiastes, reweaving the vibrant book of the Bible into a 21st-century tapestry. Shapiro explores the timeless truth that we are merely a drop in the endless river of time and reveals a path to finding personal and spiritual fulfillment even as we embrace our impermanent place in the universe. *The Tao of Solomon* is not a new translation of Ecclesiastes; rather, it is a re-visioning of the sacred text that acknowledges that the only constant in life is change: that nothing lasts forever and that only by releasing our hold on permanence can we find personal peace.

*A Debate on the Doctrines of Atonement, Universal Salvation, and Endless Punishment* David Holmes, William G. Bishop (Reporter), 1848

Questions discussed: 1. Does gospel salvation embrace deliberance from just and deserved punishment? 2. Is there sufficient evidence for believing that all men will be finally holy and happy? 3. Is there sufficient evidence for believing that any part of the human family will suffer endless misery in a future state? pages 3
