Staging China LI Ruru, 2016-01-26 An insightful analysis of more than a dozen Chinese stage productions Staging China illustrates how Chinese society is reflected by and even constructed through theatre Scholars from around the globe explore wide ranging topics including recent approaches to classical theatre propaganda theatre and the challenges of independent theatres **Polish Theatre after the Fall of Communism** Olga Śmiechowicz, 2018-10-09 In international theatre studies there has been a dearth of studies on Polish contemporary theatre This book investigates how Polish theatre has changed since 1989 and the fall of Communism It introduces the most prominent Polish theatre directors namely Krystian Lupa and his two extremely talented students Krzysztof Warlikowski and Jan Klata All three of them represent three absolutely different types of aesthetics and ways of thinking about theatre Krystian Lupa mostly concentrates on Austrian and Russian literature Krzysztof Warlikowski's theatre is based on stage versions of William Shakespeare or Ancient authors Jan Klata focuses his attention on Polish history and current social problems This book highlights the creativity of Polish contemporary theatre and shows how different from most theatre traditions in other European countries it is **The Griffith Project** Eileen Bowser, 2006 No other silent film director has been so extensively studied as D W Griffith However only a small group of his more than 500 films has been the subject of a systematic analysis and the vast majority of his other works still awaits proper examination For the first time in film studies the complete creative output of Griffith from Professional Jealousy 1907 to The Struggle 1931 will be explored in this multi volume collection of contributions from an international team of leading scholars in the field **The Griffith Project, Volume 10** Paolo Cherchi Usai, 2019-07-25 No other silent film director has been so extensively studied as D W Griffith However only a small group of his more than five hundred films had been the subject of a systematic analysis Now for the first time in film studies the complete creative output of Griffith from Professional Jealousy 1907 to The Struggle 1931 is explored in this multi volume collection of contributions from an international team of leading scholars in the field Created as a companion to the ongoing retrospective held by the Pordenone Silent Film Festival The Griffith Project is now an indispensable guide to his work This is the final volume of the project **Understanding Marx, Understanding Modernism** Mark Steven, 2021-01-14 A concentrated study of the relationships between modernism and transformative left utopianism this volume provides an introduction to Marx and Marxism for modernists and an introduction to modernism for Marxists Its guiding hypothesis is that Marx's writing absorbed the lessons of artistic and cultural modernity as much as his legacy concretely shaped modernism across multiple media **Langenscheidts Enzyklopädisches Wörterbuch Der Englischen und Deutschen Sprache** Otto Springer, 1974 **Musicals in Film** Thomas Hischak, 2016-11-07 This wide ranging guide introduces or reintroduces readers to movie musicals past and present enabling them to experience the development of this uniquely American art form and discover films they'll love This comprehensive guide covers movie musicals from their introduction with the 1927 film The Jazz Singer through 2015

releases In all it describes 125 movies opening up the world of this popular form of entertainment to preteens teens and adults alike An introduction explains the advent of movie musicals then in keeping with the book s historical approach films are presented by decade and year with overviews of advances during particular periods In this way the reader not only learns about individual films but can see the big picture of how movie musicals developed and changed over time For each film covered the guide offers basic facts studio director songwriters actors etc as well as a brief plot synopsis Each entry also offers an explanation of why the movie is noteworthy how popular it was or wasn t and the influence the film might have had on later musicals Sidebars offering brief biographies of important artists appear throughout the book
