The Finest Line offers an unprecedented glimpse into the psychology of big wave surfing as well as its extreme risks and unparalleled rewards. Big wave surfing has long been a part of the sport, but this subculture of the surf world is now moving out of the fringes. The current generation of surfers is continually reinventing the limits, making this the most advanced, dynamic, and exciting period in big wave surfing history. This stunning coffee table book captures the essence of the sport through breathtaking images and stories, as well as exclusive interviews with the surfers who play the starring roles during these rare large swell events. Here you discover the complex logistics behind staging missions to the Cortes Bank, a phantom reef 100 miles out to sea; the mental and physical regimens of surfers such as Shane Dorian, Greg Long, and Grant Twiggy Baker; the psychology of living in pursuit of the world's meanest waves; the stories behind the paddle in renaissance that has come to define the next level of big wave surfing; and firsthand accounts of those now rare, tow-only days that captivate audiences worldwide.
