McALISTER'S WAY - FREE Serialisation vol. 02 Richard Marman,2018-12-28 MCALISTER S WAY FREE Weekly Serialisation Vol 02 Chapters 2 and 3 A Young Adult Action and Adventure story Danny gets into big trouble in Chapters 2 3 I m not going to give you a synopsis you can download it for FREE and read it for yourselves However a couple of things inspired parts of these chapters Chapter 2 My RAAF Royal Australian Air Force buddy Wing Commander Trackless Millsom restored a 1940s Buick from a bare chassis and it was the inspiration for the get away car in this chapter I remember the floor in Trackless two spare bedrooms covered with chrome plate parts for ages His missus Cherril was very patient Chapter 3 Burning sugar cane prior to harvest no longer occurs in Australia but I ve stood next to a cane fire south of Townsville and it s an awesome experience The noise heat and flames are truly daunting I flew passenger jets up and down Eastern Australia and the cane fires were a spectacular sight at night The setting for this chapter came from those images Richard Marman Author KEYWORDS TAGS McAlister s Way action adventure Zach Danny military helicopters choppers soldiers airmen boarding school priests child abuse attack New South Wales Australia Sydney Merimbula plane flight fly Young Adult YA explore discover altar Arty Brisbane Buick cane cutting car chapel Colin Danny Desmond disappear embankment freight Gertrude Giovanni Gulf of Carpentaria Lenny Mackay Monsignor night Noemi Northern Rattler plantation police railway Ricci river Rockhampton School Signor Sister snakes St Ursicinus Statue sugar cane town train water **How Free Speech Saved Democracy** Christopher M. Finan,2022-04-26 A historical demonstration of the indispensability of the First Amendment and an earnest and timely argument for its enduring value Kirkus Reviews Great storytelling about the history and importance of the First Amendment from someone who has spent his life defending and using it Mary Beth Tinker Free speech is not an obstacle to change it is the way change happens Uncovering vivid and engaging stories about First Amendment pioneers How Free Speech Saved Democracy shows how their struggle made possible the surging protests that aim to expand democracy today How Free Speech Saved Democracy is a revealing reminder that First Amendment rights have often been curtailed in efforts to block progress and that current measures to reduce hurtful language and to end hate speech could backfire on those who promote them To those who see free speech as a threat to democracy Finan offers engaging evidence from a long and sometimes challenging history of free speech in America to show how free speech has been essential to expanding democracy From the beginning of American history free speech has been used to advocate for change In the 19th century abolitionists advocates for women s rights and leaders of the labor movement had to fight for free speech In the 20th century the civil rights and anti war movements expanded free speech creating a shield for every protest movement we see today Written by a historian who became a full time defender of civil liberties and has spent four decades advocating for the rights of victims of censorship this book grew out of Finan s desire to address the declining support for free speech that is occurring as our country becomes increasingly polarized Through his evocative storytelling Finan

demonstrates how the most effective antidote for the growth of hate speech and violence is support for and cultivation of the robust alternative of free speech
