## You I Together:

**How One of You Can Bring the Two of You Together** Susan Page, 2012-01-18 Susan Page's groundbreaking approach to relationships gives readers the tools and encouragement they need to bring positive changes to their relationship even when their partners are unwilling to do the work. Based on the premise that what you do in a relationship makes changes faster than anything you discuss, Page introduces the concept of Loving Leadership and offers fourteen empowering and doable strategies for recapturing the positive feelings, including how to overcome resentment and move beyond blame. Solve major problems one at a time. Recapture lost intimacy. Step by step, Page demonstrates that with tangible goals and new ways of thinking, one partner can bring new levels of harmony and love to a relationship.
