You Only Live Once:

You Only Live Once Mark C. Overton, 2018-02-02 Mark has structured this book's 31 day roadmap of God's conditional promises around three guideposts: the promise's meaning, an engaging story of fulfillment, and fruitful application. The stories are inspiring. But more than the information, motivation, and practical guidance, what stands out is the appeal and journey to trust in and live out God's promises. Rod Loy, Senior Pastor of First Assembly North Little Rock, likes that *You Only Live Once* is very simple, plain, and well put together. The topics are really timely and highlight important promises for those of us who want to just be happy and enjoy life. You only live once. Dr. Joe R. Williams Sr., Founder and Pastor of True Love Apostolic Faith Church, says the brevity of each of the promises in *You Only Live Once* allows you to reflect and meditate on the promises that are relevant to everyday life. They enable you to maximize your time and position yourself to receive His blessings. This book is inspirational, thought-provoking, and praiseworthy. Vicki Venable, Unity Baptist Church, says we live in a fallen world with challenges and unmet expectations. Life doesn't come with any guarantees. However, one thing you can be certain of is God's love and promises that never fail. Even in an age of skepticism and fake news, you can draw strength and find hope in His guaranteed promises. By trusting Him, you can truly make your life count and open doors to His abundant blessings and timeless wisdom. You have His word. He is not slack concerning His promises. Divided into 31 days, *You Only Live Once* will motivate you to embrace almighty God's conditional promises and receive His abundant blessings. Inspire you to take a leap of faith in God and let go of unbelief or anything that would turn you away. You don't have to keep your fingers crossed. With Him, you are never alone. Encourage you to stand on the rock-solid foundation of His promises in faith; they won't give way in your tough times.

You Only Live Once Jason Vitug, 2016-06-07 Get your finances in order with smart budgeting and money mindfulness. *You Only Live Once* is the guide to achieving your best life through smart money moves. Before you even begin making a budget, you need to think about why. Where do you see yourself financially in ten years? Five years? This time next year? What does money do for you? Once you know your destination, you can begin charting your course. Step by step, guidance walks you through the budgeting process and shows you how to plan your financial path to point toward your goals. You'll learn how to prioritize spending, how to save efficiently, and how to take advantage of simple tools you didn't know you had. Next comes the most important part: taking control. You need to really look at how you perceive and use money day to day. Chances are, changing a few habits could give you some breathing room and help you reach your goals sooner. You work hard for your money, yet there never seems to be enough. You don't need to live like a pauper, but you need to be truly aware of just where your money is going and why. Financial awareness is the key to a financially secure future, and this book unpacks it all to help you get where you want to go. Accept past decisions and articulate your financial goals. Align your lifestyle with your budget. Explore your relationship with money. Re-evaluate financial habits and behaviors. You know you need a budget, but you never seem to get around to doing it. Or maybe you did, but you can never seem to stick to it. Smart planning is a major factor.
