Stress down in the hours before bed
(e.g., minimize cell phone usage and stressful work activities)

Minimize your exposure to artificial light at night
(e.g., use candles, install light-adjustment software on your PC)

Work on improving your general health
(e.g., by addressing your microbiome and immune status)

Exercise, but not directly before you hit the sack

Consider taking a cold shower or bath prior to sleeping

Stick to a routine
(e.g., go to bed at roughly the same time most days)

Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
