St Peter:

St. Peter, His Name and His Office as Set Forth in Holy Scripture Thomas William Allies, 1852-01-01 The present work took its rise and is largely drawn from the very learned Father Passaglia's Commentary on the Prerogatives of St Peter Prince of the Apostles as proved by the authority of Holy Writ which was published in Latin in 1850 The eighth and ninth chapters are indeed translations respectively of the twenty seventh of his first book and the first of his second book And as to the rest my obligations are more than I can specify I owe on the other hand many excuses to Father Passaglia for while I have only partially observed his order in treating the subject I have considered his whole work as a treasure house of learning whence I might draw at my pleasure things old and new adapting them as I thought good to the needs of the Protestant mind as familiar to me in England Thus I have not scrupled to translate to omit or to insert matter of my own according to my judgment It seemed to me of paramount importance to present to the English reader the whole chain of scriptural evidence for the Primacy and prerogatives of St Peter This chain of evidence is so strong that when I first saw it completely drawn out it struck my own mind brought up in the prejudices of Protestantism with the force of a new revelation I put to myself the question is it possible that they who specially profess to draw their faith from the written Word of God would refuse to acknowledge a doctrine set forth in Holy Scripture with at least as strong evidence as the Godhead of our Lord itself if they could see it not broken up into morsels like bits of glass reflecting a distorted and imperfect image according to the fashion of citing separate texts without regard to the proportion of the faith but presented in a complete picture on the mirror of God's Word This picture is thus complete and perfect in Father Passaglia's work Yet the form of that work no less than its bulk the scrupulous minuteness with which every opposite interpretation of so many adversaries in modern times is answered as well as the fulness with which every part of the subject is treated made me feel that a simple translation would not be tolerated by the impatience of a population which has little time and less mind for studies of this character I have pursued therefore the humble task of popularising so far as I could Father Passaglia's work omitting as I trust no essential part of the argument and grouping it under different combinations each of which might be in turn presented to the eye and so more readily embraced

Life of St. Peter François De Ligny, Frank Rega, 2015-09-09 Here is an opportunity to review your scriptural knowledge of the first pope and to take a journey through the early history of the Church Learn the real reason for St Peter's coming to Rome and why he might have later been exiled from the city Learn why the Babylon the saint mentions in his First Epistle refers to Rome Learn who was the first writer who dared to deny that St Peter was ever at that city The author painstakingly proves through ancient histories and the Church Fathers of the early centuries that St Peter's residence in the Eternal City cannot be refuted Doubts about his presence there first arose in the 14th century and in spite of the proofs contained in Fr De Ligny's thoroughly researched work controversy about St Peter's residence in Rome persists to this day in some quarters

this Rock Stephen K. Ray, 1999-01-01 Ray a former Evangelical Protestant and Bible teacher goes through the Scriptures and the first five centuries of the Church to demonstrate that the early Christians had a clear understanding of the primacy of Peter in the see of Rome He tackles the tough issues in an attempt to expose how the opposition is misunderstanding the Scriptures and history He uses many Protestant scholars and historians to support the Catholic position This book contains the most complete compilation of Scriptural and Patristic quotations on the primacy of Peter and the Papal office of any book available It has over 500 footnotes with supporting evidence from Catholic Orthodox Evangelical and non Christian authorities

St. Peter Thomas Allies, 2016-08-29 Our Lord tells us that He came upon earth to finish a work and He likewise tells us what that work was the setting up a living society of men who should dwell in Him and He in them on whom His Spirit should rest with whom His presence should abide until the consummation of all things For the evening before His passion lifting up His eyes to heaven He said Father the hour is come I have glorified Thee on the earth I have finished the work which Thou gavest Me to do I have manifested Thy name to the men whom Thou hast given Me out of the world Thine they were and to Me Thou gavest them and they have kept Thy word Holy Father keep them in Thy name whom Thou has given Me that they may be one as We also are While I was with them I kept them in Thy name And now I come to Thee I pray not that Thou shouldest take them out of the world but that Thou shouldest keep them from evil As Thou hast sent me into the world I also have sent them into the world And for them do I sanctify Myself that they also may be sanctified in truth And not for them only do I pray but for those also who through their word shall believe in Me that they all may be one as Thou Father in Me and I in Thee that they also may be one in Us that the world may believe that Thou hast sent Me And the glory which Thou hast given to Me I have given to them that they may be one as We also are one I in them and Thou

in Me that they may be made perfect in one and the world may know that Thou hast sent Me and hast loved them as Thou hast loved Me Mr Allies completely satisfies that definition of good history given us by the Greek historian and his method is preeminently one of philosophy teaching by examples Every well instructed Catholic knows by faith that Jesus Christ came into the world to found a kingdom a kingdom not of this world but spiritual and divine a perfect polity free from all those elements of decay which enter into every human institution and that He gave to this kingdom a constitution capable of adapting itself to every form of human society and of embracing in its bosom the whole world All this the Catholic knows and believes and the heretic and infidel denies but Mr Allies establishes and proves it by the powerful argument of history showing how the internal life of the Church and the guiding of events by Divine Providence evolved and fulfilled in a perfect sequence the designs and direction of her Divine Founder The Month An Illustrated Magazine of Literature Science and Art This work was first published in 1952 and elicited the highest encomiums from the most learned portion of the Christian world Its republication at this time when so much is said and so little is actually known by persons not Catholics of the apostolic succession and the divine power vested in the visible head of the church is exceedingly well timed The book though small in compass contains not only all the leading incidents of St Peter s life but irrefutable proofs of his holy mission and supremacy in the church Those who have any doubts of the primacy of the See of Rome or who wish to satisfy themselves as to the extent of the power delegated to our Holy Father should give Mr Allies book a careful and serious perusal Catholic World Mr Allies is known as the author of The Formation of Christendom Is it an established interpretation among Roman Catholic theologians that the one Shepherd of the one fold is St Peter We should thought that the words applied to One greater even than the Prince of the Apostles But one learns to be surprised at nothing that Ultramontane devotion says of the Virgin St Peter or the Pope The Spectator **Scenes in the Life of St. Peter** James Spence,1863 The First Epistle of St. Peter I. with the splendour and marvels of a religion that has asserted world dominance over its two thousand year history It is the largest Christian church on the planet But perhaps even more than a beacon of Catholicism St Peter s Basilica is a monument to artistry and culture St Peter s Basilica is situated in the Vatican City on one of the seven hills upon which the city of Rome was built Rome s affiliation with the saint comes from the Catholic tradition of Peter being the first bishop of Rome The bishop of Rome heads the Catholic Church globally and is also known as the pope To this day the pope resides in this historic city in the Vatican Palace next door Before Christianity swept through the Roman Empire as the dominant religion its followers were persecuted And St Peter himself suffered the fate of a martyr As the story goes Peter was killed for his Christian faith in the same way Jesus died that is death by crucifixion Humbly he felt unworthy to face the same death as his lord so he asked to be crucified upside down This final request was granted and Peter died on Vatican Hill allegedly in a stadium built by the Roman Emperor Nero Peter was called the rock on which Jesus would build his church Early Christians took this literally and built a shrine over the grave iMinds will tell you the story behind the place with its innovative travel series transporting the armchair traveller or getting you in the mood for discover on route to your destination iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind

together the archival records and the music sung at St Peter's reveal a much clearer picture of musical life at the basilica than either source would alone. The contents of the St Peter's choirbook help document musical life as surely as that musical life insofar as it can be reconstructed from the archives illuminates the choirbook.
