Good Boy Neil McRobert, 2025-10-09 PART OF THE NORTHERN WEIRD PROJECT After a boy vanishes on the outskirts of a small town a woman spies a mysterious man digging a grave in the exact spot of the disappearance However when she confronts him the man s true purpose is far more chilling than she could have imagined Advance Praise An excellent story reminded me of classic English stories of the supernatural People like M R James and Arthur Machen Heady company to be in Stephen King A profoundly moving and genuinely eerie tale about the cruel persistent horrors of this world about roads not taken about love and grief about courage and sacrifice about what we do with the time we are given an extraordinary utterly unforgettable debut A beautiful ode to goodness Rachel Harrison USA Today bestselling author of So Thirsty and Black Sheep Somewhere

between the cosmic precision of John Langan the undulating mundanity of Robert Aickman and the boundless heart of Stephen King sits Neil McRobert's *Good Boy* This is an expertly executed story Nat Cassidy USA Today bestselling author of *When the Wolf Comes Home* and Mary Assured heartfelt horror firmly rooted in affection longing and loss and a quiet Northern resignation to things beyond any earthly control This is a haunting little sting of a book a sharp nip at the heels Gemma Amor Bram Stoker and British Fantasy Award nominated author of *Itch* There's good dogs there's excellent writers and there's extraordinary novellas What you're holding in your hands now is all three Stephen Graham Jones author of *The Buffalo Hunter Hunter* A chilling tale that breaks your heart Neil McRobert speaks to one of the truest forms of love there is that bond between a boy and his dog written with the elegiac flood of Dylan Thomas and the homespun verve of a fireside ghost story told at the local pub Clay McLeod Chapman author of *Wake Up and Open Your Eyes* Both terrifying and deeply heartfelt Echoing the best of Stephen King it's a story of monstrous horror and quiet sacrifice it's about how we live our lives and the pets that accompany us if we're lucky I loved this very English monster story and I especially loved the titular good boy You will too Trevor Henderson author of *Scarewaves* *Will* Will Smith, 2021-11-09 The instant 1 New York Times bestseller It's the best memoir I've ever read Oprah Winfrey Will Smith isn't holding back in his bravely inspiring new memoir An ultimately heartwarming read Will provides a humane glimpse of the man behind the actor producer and musician as he bares all his insecurities and trauma USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life in a brave and inspiring book that traces his learning curve to a place where outer success inner happiness and human connection are aligned Along the way Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era and then one of the biggest movie stars in Hollywood history is an epic tale but it's only half the story Will Smith thought with good reason that he had won at life not only was his own success unparalleled his whole family was at the pinnacle of the entertainment world Only they didn't see it that way they felt more like star performers in his circus a seven days a week job they hadn't signed up for It turned out Will Smith's education wasn't nearly over This memoir is the product of a profound journey of self-knowledge a reckoning with all that your will can get you and all that it can leave behind Written with the help of Mark Manson author of the multi-million copy bestseller *The Subtle Art of Not Giving a F ck* Will is the story of how one person mastered his own emotions written in a way that can help everyone else do the same Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home The combination of genuine wisdom of universal value and a life story that is preposterously entertaining even astonishing puts Will the book like its author in a category by itself **Sensualism and Mythology** Jeremy Robinson, 1990 **The Selected Stories of**
