To The Four Corners Eugene Weisberger, 2005-06 Gene s new book To The Four Corners gives inspiration to all those who love to travel No matter which one of the four corners of the world you choose to visit his stories will enhance your journey His own personal accounts of each of his adventures make the tales interesting and exciting We recommend it to our clients as a must read and suggest it to shorten an otherwise long plane ride Austin Travel of New York

Gene's latest book like his first deals with his favorite subject travel. In it he takes us to many exciting places he visited the last decade or two. This time he tells us of his trips while imagining his worldwide travel heroes are alongside. His four historic companions are Alexander The Great in the Middle East, Julius Caesar going to Western Europe, Marco Polo to the Far East, and finally Christopher Columbus to the Americas. He shares his tales with you in a fun and enjoyable manner. When Gene is asked what is his favorite place to visit, the rest of the evening is a wonderful travelogue. His friends enjoy listening to the many places they too would love to see. This is the best criteria of a good storyteller.
