Digital Humanities Research Methods Vikrant Iyer, 2025-02-20. *Digital Humanities Research Methods* offers a comprehensive exploration into the methodologies employed within the interdisciplinary field of digital humanities. Through a blend of theoretical insights and practical guidance, we equip readers with the tools necessary to conduct rigorous and innovative research in the digital realm. Covering a wide array of topics, this book delves into the unique challenges and opportunities presented by digital technologies in the humanities. We address key concepts such as data collection, analysis, visualization, and interpretation within the context of digital scholarship. Additionally, the text examines the ethical considerations inherent in digital research, emphasizing the importance of responsible and transparent practices. One of the book's strengths lies in its emphasis on interdisciplinary collaboration. By encouraging scholars from various backgrounds to engage with digital methods, we foster a rich exchange of ideas and approaches, ultimately enhancing the breadth and depth of research in the humanities. Whether readers are seasoned practitioners or newcomers to the field, *Digital Humanities Research Methods* serves as an invaluable resource for navigating the complexities of digital scholarship and pushing the boundaries of inquiry in the digital age.
