# The 5x questions checklist for an effective hybrid workplace model

01 What do people want?

As mentioned above, a successful hybrid work strategy and hybrid workspace model can only work if it's designed for the people.

Before making any significant decisions or investments, it's important to understand the preferences, needs and expectations of the people you want to work for.

You want to build a model that meets the needs of all your employees, not just the ones who will be working in your office.

How do you know? What data do you have? What are the most common challenges you face? How do you know? What data do you have? What are the most common challenges you face?
