Standards For The Development Of Archive:

Archival Description Standards Working Group on Standards for Archival Description, 1990 **A National Archives Strategy for the Development and Implementation of Standards for the Creation, Transfer, Access, and Long-term Storage of Electronic Records of the Federal Government** United States. National Archives and Records Administration. Archival Research and Evaluation Staff, 1990 **Encyclopedia of Archival Science** Luciana Duranti, Patricia C. Franks, 2015-06-17 Here is the first ever comprehensive guide to archival concepts principles and practices Encyclopedia of Archival Science features 154 entries which address every aspect of archival professional knowledge These entries range from traditional ideas like appraisal and provenance to today s challenges digitization and digital preservation They present the thoughts of leading luminaries like Ernst Posner Margaret Cross Norton and Philip Brooks as well as those of contemporary authors and rising scholars Historical and ethical components of practice are infused throughout the work Edited by Luciana Duranti from the University of British Columbia and Patricia C Franks from San Jos State University this landmark work was overseen by an editorial board comprised of leading archivists and archival educators from every continent Adrian Cunningham Queensland State Archives Australia Fiorella Foscarini University of Toronto and University of Amsterdam Pat Galloway University of Texas at Austin Shadrack Katuu International Atomic Energy Agency Giovanni Michetti University of Rome La Sapienza Ken Thibodeau National Archives and Records Administration US and Geoffrey Yeo University College London UK *Archival Arrangement and Description* Lois Hamill, 2017-07-08 Archival Arrangement and Description Analog to Digital teaches the core functions of arrangement and description A historical summary grounds new archivists to assess proposed changes for digital files After presenting the basics of arrangement and description processing for analog materials the text segues to digital materials incorporating the OAIIS preservation model into a detailed sample workflow Although accessioning and technical appraisal precede processing they are discussed because they are performed differently for digital materials and create a different starting point for processing digital files Description is external to the OAIIS model but linked to it Recent advances in description and its delivery are presented along with concerns for the ability of smaller archives to participate in envisioned future developments that are technology reliant New specialties like digital curation and data curation show the continued relevance of archival expertise for the digital future Rich with extras the text includes and points to many readily web accessible additional resources *Archival Description Standards Working group on standards for archival description, 1990* **Archived Data Management Systems** , 2005 [Encyclopedia of Archival Writers, 1515 - 2015](#) Luciana Duranti, Patricia C. Franks, 2019-04-26 The Encyclopedia of Archival Writers 1515 2015 is a reference work that includes the profiles of authors of literature about records and archives in the Western world who have shaped the records and archives field over a span of 500 years The 144 archival writers from 13 countries who are included in this volume were selected by an international advisory board on the basis of their impact on the records and archives

profession and discipline the presence of their publications in educational programs reading lists and the frequency of reference to their work Among the writers included in this volume are Albertino Barisone of Padua 1587 1667 Sir Hilary Jenkinson of England 1882 1961 Adolf Brenneke of Germany 1875 1946 Theodore R Schellenberg of the United States 1903 1970 Robert Henri Bautier of France 1922 2010 Terry Cook of Canada 1947 2014 Vicenta Cort s Alonso of Spain 1925 Eric Ketelaar of the Netherlands 1944 Aurelio Tanodi of Argentina 1914 2011 Ian Maclean of Australia 1919 2003 and Verne Harris of South Africa 1958 Arranged in alphabetical order each entry includes a biography intellectual contributions and a brief essential bibliography A total of 113 educators professionals and students in the records and archives field 55 of whom are also profiled in this Encyclopedia contributed to this volume There is no other book in any language that focuses on the life and work of authors of records and archives literature In fact there is not easily available information on such writers Thus most entries involved quite a bit of research on dead writers and interviews with the living ones Several living writers supported this work by accepting to author their own entry

Standards for the Development of Archives Services in Ireland ,1997 This new publication is prepared by the Irish Region of the Society of Archivists which is the professional association for archivists in Ireland For the first time a standard is available in Ireland which is based on the best of international standards and practices and which also incorporates the valuable experiences and developments of archivists in Ireland The standards are aimed at those people and institutions wishing to establish archives services and at archivists to assist them in their commitment to their professional duties The creation preservation and management of archives in Ireland are also discussed

Developing and Maintaining Practical Archives Gregory S. Hunter,2020-04-14 Newly revised and updated to more thoroughly address our increasingly digital world including integration of digital records and audiovisual records into each chapter it remains the clearest and most comprehensive guide to the discipline
