Stand to Reason Raday Leavy,2013-06 In frustration an anonymous Black man once said If there are so many damn churches in this community why aint we seein God That is a very compelling question with many explanations ranging from conspiracies to politics to the same ol tiring rants that most people are tired of hearing albeit true or not This book will not dig into these assumptions nor place blame on anyone The object of this book is to take a more spiritual approach to the question at hand and show by the bible why events are unfolding the way they are In short Black people do not fully know their relationship to the God of the bible thus this book will serve as a definitive guide for Blacks in the bible This guide is intended for the person who is earnestly searching for a deeper scriptural understanding of their spiritual position according to the bible Hopefully this guide will lead one to search for deeper truths and follow up with actions that benefit themselves and those around them The King's English H.W.
