Starfist Flashfire:

Starfist: Flashfire David Sherman, Dan Cragg, 2007-03-27 Packed with hard core action written by battle savvy combat veterans the explosive Starfist series has become hugely popular across America Now the saga of the courageous Marines continues in Flashfire as the 34th Fleet Initial Strike Team FIST ventures to the edge of Human Space to fight a number of enemies some on their own side Tensions erupt between the Confederation and several frontier worlds when civilians are shot dead at an army base on the planet Ravenette Enraged the Ravenette government and nine neighboring planets form a coalition and their first act of secession is to overrun Ravenette s Confederation garrison With the armed forces of ten worlds seizing the brutal upper hand the embattled troops need help now and they need it bad Enter the Marines of the 34th FIST As the nearest ready to deploy unit the team is sent to Ravenette with orders to hold the line until reinforcements arrive The upcoming operation promises to be no picnic for while sophisticates may ridicule the backward ways of the uncouth frontier folk no one scoffs at their fighting ability Charlie Bass doesn t mince words for his men in Company L s third platoon Two army divisions perhaps thirty thousand soldiers are being overwhelmed and somebody expects a thousand Marines to save the day As pompous Confederation generals wreak even more havoc than the enemy there are those who call the mission suicide but not the Marines Of course it sounds hopeless but for Marines like Charlie Bass and the rest of the 34th FIST accomplishing the impossible comes with the territory

Flashfire David Sherman, Dan Cragg, 2006 This tenth action packed military sci fi adventure features 25th century Marines who while investigating mysterious attacks on a space colony make a surprising discovery

Starfist: Double Jeopardy David Sherman, Dan Cragg, 2010-10-26 It may be the twenty fifth century but the Marines are still looking for a few good men The Confederation has finally disclosed the existence of Skinks fierce aliens bent on wiping out humankind While the rest of the universe grapples with the news the Skink savvy Marines of the Confederation s Thirty fourth Fleet Initial Strike Team FIST have their own worries they ve just learned they can t transfer out of the unit Who else has the skills to fight the Skinks on their home turf when the time comes Morale isn t improved by a report of Skinks on the uncolonized world of Ishtar which means that FIST must turn around and head right back into the jaws of hell with no downtime But none of that matters to Lieutenant Charlie Bass and the third platoon of Company L They re Marines they re the best and they ve got a job to do

Starfist: A World of Hurt David Sherman, Dan Cragg, 2009-01-16 With its down and dirty depiction of warfare written by men who know what it s like to be under fire the Starfist saga is a runaway success across America Now in the explosive new Starfist adventure packed with fierce action and danger Marines at war in future space find themselves pitted against a faceless insatiable foe bent on destroying them And that s just for starters How bad is the upcoming mission facing the battle hardened Marines of 34th Fleet Initial Strike Team FIST the military s unofficial alien first contact force Bad enough to make the brass take the unprecedented step of issuing 34th FIST replacements for combat losses before the Marines even leave their home base In response to a series of

unexplained deaths on a lonely outpost on the frontiers of human space 34th FIST has been dispatched to investigate and eradicate the problem Beyond that the information available to Gunnery Sergeant Charlie Bass and his men is meager even by Marine standards No one knows what awaits them for the newly colonized world remains largely unexplored That means 34th FIST can expect creatures they have never seen or even heard of much less trained for It could be Skink acid shooters could be anything for the barren station has several secrets all of them deadly But the last thing these Marines expect to find is themselves in the middle of an invasion and a mysterious war with none other than 34th FIST as Enemy 1 Whatever happens they ll deal with it because they re Marines determined to be ready and to give worse than they get **Starfist: Force Recon: Recoil** David Sherman,Dan Cragg,2008-11-25 Swift silent and deadly they strike where no one else dares Fear is the fastest growing crop on Haulover a newly colonized planet where someone or something is destroying isolated farmhouses The unseen enemy strikes without warning then disappears leaving no stone standing no trace of families or farm animals When the Confederation receives a desperate plea for help it s time to send in the Marines Impossible missions are a matter of course for Fourth Force Recon s second platoon squads and the situation at Haulover with no witnesses and few clues is no exception But this assignment turns out to be even tougher and bloodier than usual because the devastation is a ploy to lure the nine Marines into a trap and to force them to bust the Confederation s terrible secret wide open And as for the Skinks lying in ambush on Haulover they have no idea what trouble is until they go up against a few good Marines

Starfist: Force Recon: Pointblank David Sherman,Dan Cragg,2006-08-29 A bold new contingent Force Recon joins the explosive Starfist space epic of marines at war A Confederation army is besieged on the planet Ravenette cut off by and facing destruction at the hands of a dozen Secessionist Coalition worlds arrayed against it The outnumbered and outgunned forces cling precariously to their foothold dubbed Bataan by the desperate men in their fighting bunkers Reinforcements are on the way but will they arrive in time And even if they do can they match the well led highly motivated enemy determined to destroy them in battle But the Confederation commander holds a wild card an elite force armed only with what they carry on their backs and in their heads a small detachment of Marines who lightly go where others fear to tread the Fourth Force Recon Company For anyone else this mission would be suicide but for these Marines it s just another day in the maelstrom

Starfist: Firestorm David Sherman,Dan Cragg,2008-04-29 Combat vets David Sherman and Dan Cragg know firsthand the courage sacrifice and hell of war and their experiences have made the popular Starfist novels thrill rides of the highest order Now the explosive action continues on the remote planet Ravenette where the Marines of the Confederation s 34th Fleet Initial Strike Team FIST find themselves up against a full fledged rebellion and a lethally loose cannon of a commanding officer Desperate to thwart unrelenting aliens and their quest to obliterate humankind The Confederation has beefed up its defenses But to the citizens on the outer edges of Human Space around Ravenette unaware that a deadly enemy even exists the government s move seems oppressive and ten planets have responded with a war of secession In touch and go battles

with the seceding planets the 34th FIST has emerged battered but unbowed refusing to give up even while under the command of a fanatical general The enemy determined to strike a new mission must be carried out though the troops will likely return in body bags Should Ensign Charlie Bass and his Marines somehow survive the nightmarishly difficult amphibious landing they can expect to be outmanned outgunned and out armored in a fierce duel against fresh soldiers But like any Marine worth his salt Bass knows there s only one way to go when facing impossible odds on the offense with all guns firing There s no other choice because if life was easy there d be no need to send in the Marines *The Publishers Weekly* ,2007 American Book Publishing Record ,2006 **Film-Dienst** ,1995 **Steel Gauntlet** David Sherman,Dan Cragg,1999 **Starfist Recoil** David Sherman,2008 The Flashfire Enigma Lip Wei Chang,Chek Kee Liew,2018
