**Moscow Diary** Walter Benjamin, 1986 The life of the German Jewish literary critic and philosopher Walter Benjamin 1892 1940 is a veritable allegory of the life of letters in the twentieth century Benjamin s intellectual odyssey culminated in his death by suicide on the Franco Spanish border pursued by the Nazis but long before he had traveled to the Soviet Union His stunning account of that journey is unique among Benjamin s writings for the frank merciless way he struggles with his motives and conscience Perhaps the primary reason for his trip was his affection for Asja Lacis a Latvian Bolshevik whom he had first met in Capri in 1924 and who would remain an important intellectual and erotic influence on him throughout the twenties and thirties Asja Lacis resided in Moscow eking out a living as a journalist and Benjamin s diary is on one level the account of his masochistic love affair with this elusive and rather unsympathetic object of desire On another level it is the story of a failed romance with the Russian Revolution for Benjamin had journeyed to Russia not only to inform himself firsthand about Soviet society but also to arrive at an eventual decision about joining the Communist Party Benjamin s diary paints the dilemma of a writer seduced by the promises of the Revolution yet unwilling to blinker himself to its human and institutional failings Moscow Diary is more than a record of ideological ambivalence its literary value is considerable Benjamin is one of the great twentieth century physiognomists of the city and his portrait of hibernal Moscow stands beside his brilliant evocations of Berlin Naples Marseilles and Paris Students of this particularly interesting period will find Benjamin s eyewitness account of Moscow extraordinarily illuminating

**Red Carpet Diaries** Steven Cojocar, 2004 Warning No celeb was spared during the writing of this tongue in cheek stroll down the red carpet of fashion fame ego and blinding glitter Written by the man who isn t afraid to tell Christina Aguilera her hairdo is a disaster Red Carpet Diaries could make you feel you know more about Hollywood shtick than Nicole Kidman s stylist If you begin to get too much pleasure from Cojocar s lizard skin jumpsuited journey from ridiculed misfit to 2 on Cynthia Rowley s speed dial put the book down and turn on an episode of Antiques Roadshow to calm your heart rate Imbued with style that is pure Steven and packed with insider gossip from a man who spends his days chatting with the stars this irresistible memoir is a peek behind the glamorous facade to the real deal the dirt beneath the red carpet
